Dearest Alison,

since I lost my spot I had to sign
 it over. That pen really wasn't showing up so I
 switched to this one. Well babe — (Monta Vista girls) are
 live aren't they? Ya they are. I just wanted to say
 that I really enjoyed talking to you in 1st all the
 time ☺ about Chuckie & Adrian and whoever else
 came into them. I hope you and "Charlet" last
 a long time! You deserve to be happy! KIT 923-0342

Allison,

Hey that's my buddy! Anyway, thank god that this year is over!
4th period would have been totally boring if you wouldn't have
talked to me, thanks. Well, have a totally raging summer and don't listen
to Todd and his King Tonga stuff, it's a stupid year so until then Goodbye

Welcome

Let us take you to paradise. Experience all the splendor and beauty Piedmont Hills has to offer. Wherever you turn you'll find touches of elegance. Why not start the morning off with a quick dip in our sparkling pool? For your afternoon enjoyment, Piedmont offers fine courses in history, English, math, and a foreign language of your choice. Later, there's plenty of time to stroll along the fragrant green campus.

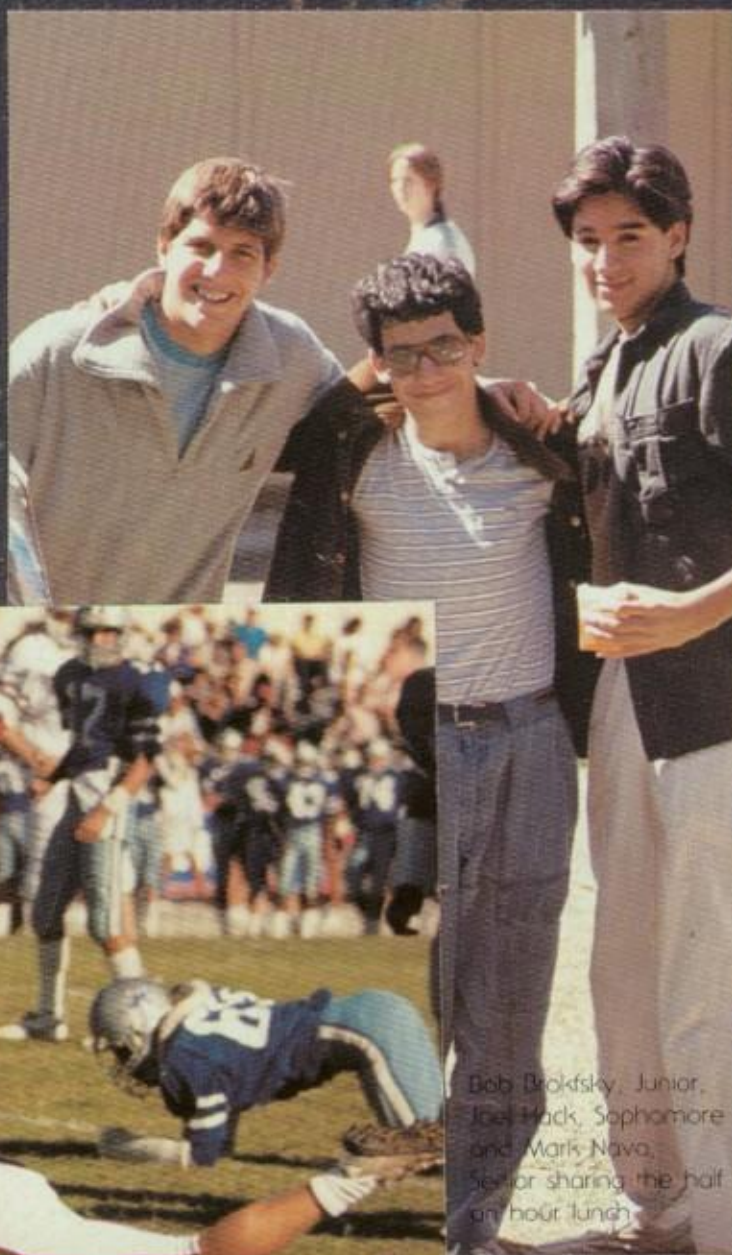

There is no place in the world so full of welcoming surprises as N.T.A.S.T.I.C.W. Homecoming, sports events and drama productions. There seems to stand still for the Pirates on our campus as we enjoy our many different activities to top off a perfect day. There are nearly 3000 people you can enjoy the day with. Their smiles and their Pirate charm will make you stay all the more enjoyable.

These next 200 pages will tell you about its scenery, attractions, cultures and people. We wonder the Pirate home has long been known as paradise!

Pirates show their mounting anticipation before destroying Independence

the guest of honor mr. ken jackson

We proudly dedicate the 1986-87 yearbook to Mr. Ken Jackson in appreciation of his warmth, care and loyalty to the pirates. Mr. Jackson fits the phrase "To know him is to love him," as the students in his classes soon realize. Each day when he enters the classroom he shares some of himself and his warm personality fills the room.

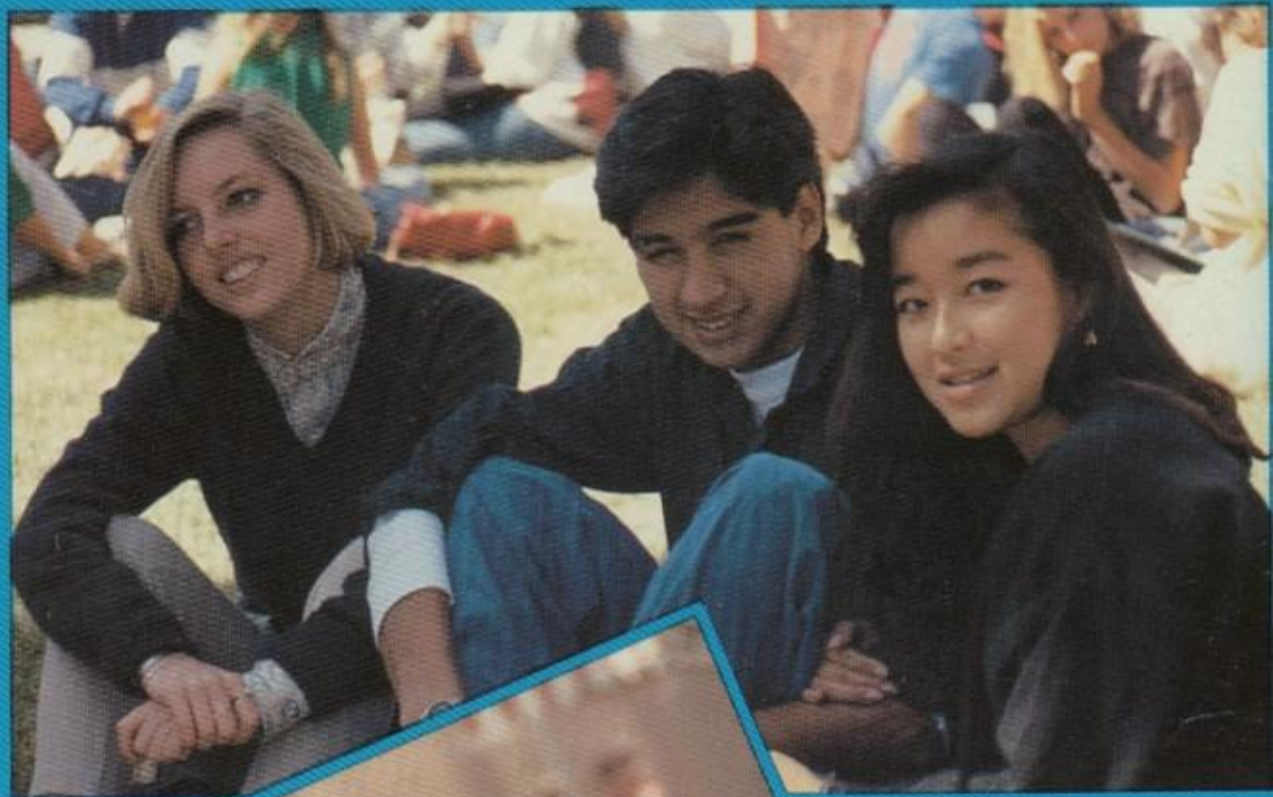

Mr. Jackson was born and raised in Berkeley Calif., and he graduated from St. Mary's High School, an all boys school, which he loved. When asked to name something memorable about his childhood he replied with a smile, "I remember falling off the top of a bunk bed in the middle of the night and not waking up."

Mr. Jackson now lives in San Jose and has taught at Piedmont for four years. He enjoys teaching Business Law the most because the students who take the class are usually very interested, therefore they're easier to

teach. He's quick to add though, "I really like all my classes, they're good kids." Mr. Jackson admits that although he loves teaching he hates grading papers and if he won the lottery, the first thing he would do would be to hire someone to do the grading for him.

When not working Mr. Jackson feels it is important to enjoy yourself. He relaxes by snowskiing, water skiing, and refereeing football and basketball games at high schools and junior colleges. He has also been a Big Brother for eleven years and in fact his first little brother is now twenty years old. In the future Mr. Jackson plans to continue teaching at Piedmont and maybe later become a counselor.

Besides all the hard work he puts into his teaching career, Mr. Jackson also finds the time to be the Junior class advisor.

friends forever

As the adventure begins we all meet some new and exciting companions. It isn't hard to believe, as the Pirate campus glows with a friendly atmosphere. The Pirate membership is small enough to become acquainted with most of the student body.

Finding a comfortable spot in the sun to chat the lunch hour away, after standing in the long but social lunch lines, is a very popular activity. Spending this time with your friends is also a good time for a quick game of 31 or for some extra help in Algebra.

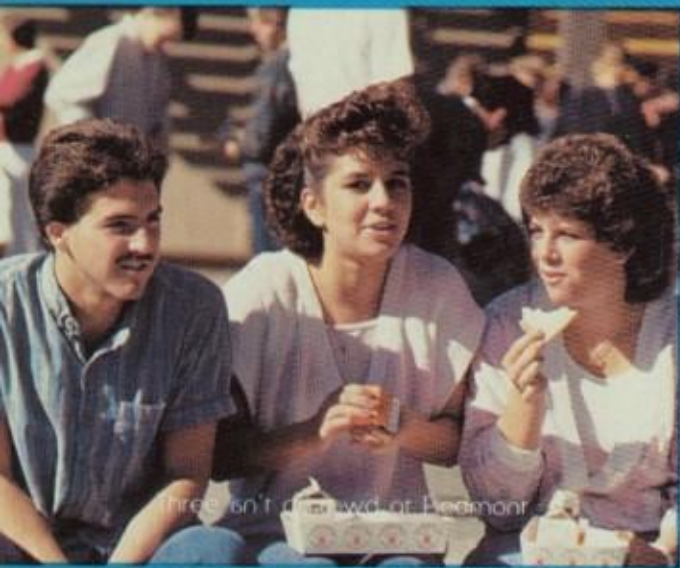

Grams are the perfect way to thank those special friends for all those favors and for just being there.

Dances offer you the perfect time to cozy up to that someone special. Many a relationship has blossomed on our Pirate campus.

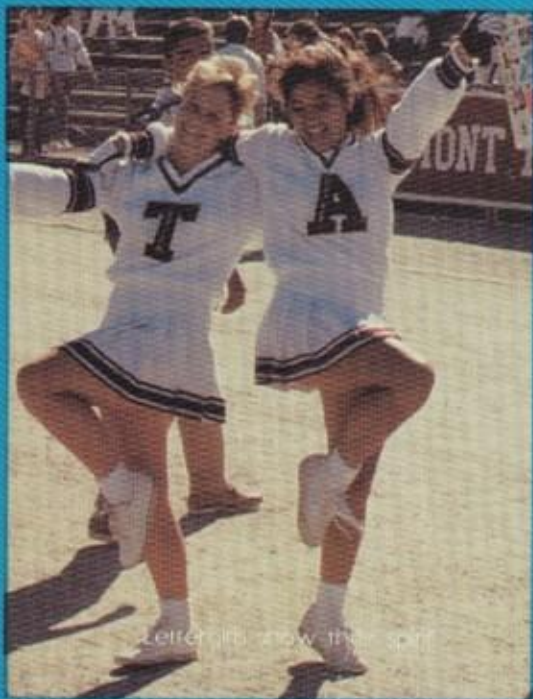

These new friends and the times you've spent together will always be remembered and may become the most precious souvenir of your journey.

Five friendly football fans, Kari, Dawn, Laurie, Lynn and Kerry. Alice Sibley, Mark Nava and Japanese exchange student Miyoko (Miko) Ozawa relaxing in the afternoon sunshine. Kristy, Jennifer, Paige, Lori and Missy are all smiles. Pam Lewis and Beth Maer share a close friendship.

Best of friends

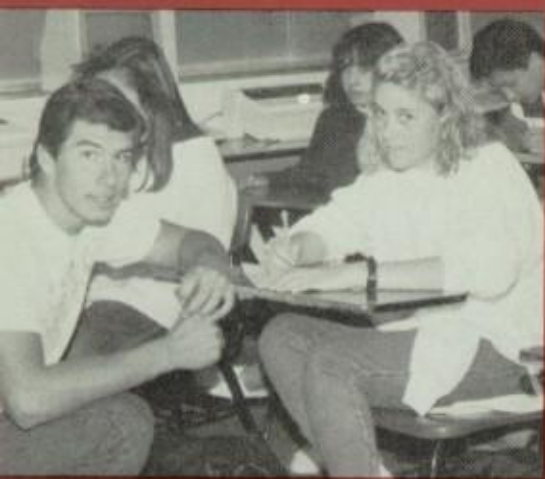

The gang's all here

festivities are us

Welcome to Piedmont Paradise, a school apart from the rest . . . The moment you step on campus, you sense the difference.

Throughout the duration of your stay in our warm, friendly surroundings, you can enjoy many different activities. We offer a variety of sports events like badminton, basketball, football, soccer, softball, swimming and volleyball and many more which you can participate in or be a spectator.

You can take care of your body on our weight training equipment. Take a bite out of a hot pizza, fresh from the oven of our kitchen. Even try your luck in our glamorous FANTASTICS night.

As the sun goes down, we bring you the stars. Onstage in the main showroom you'll find it's our own stars who light up the night. You'll see anything from musicals and comedies to dramas.

Evenings in Paradise are always special. Dancing until late in the L-Building. Excitement and romance. Stroll along the open pathways and admire the spectacular scenery. Explore the wonder. You'll never have a better time in all your life . . .

summertime fun

The Bell Rang!

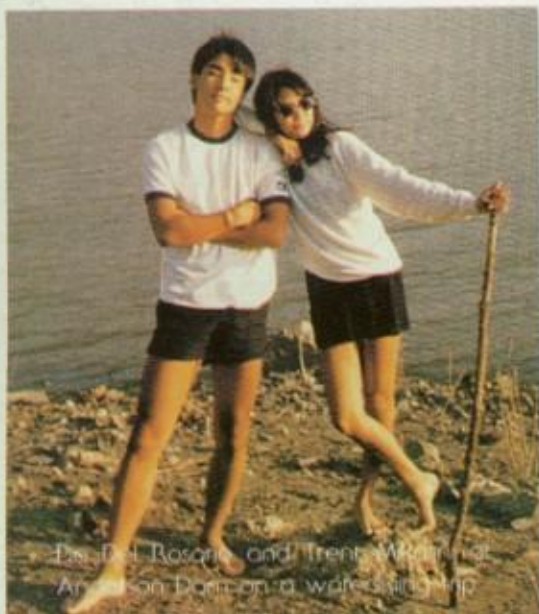

It all started out on June 13, 1986, as the final bell rang announcing that summertime fun could begin. Students raced out of the parking lot with their filled ice chests and headed for the beach.

Three months of freedom and fun, starting with staying out late and sleeping in. Some had the easy life in Hawaii, while some worked over greasy stoves in Mc. Donald's. Still others spent

their weekends camping and waterskiing at the nearest lake.

The last month of summer, students would gather together with their forgotten friends to start school shopping. The football team sweated out double days preparing for a good season, while the spiritleaders were working hard at their spirit camps!

And The Bell Rang Again!

Yes, we mean you - the one with that unique . . . hair? Long or short; curled, straight, spiked or fanned. Pirates have an uninhibited sense of style when it comes to their locks. And reflections are going in both directions as guys are now spending as much time as girls in the looking glass putting on make up. Nevertheless, there are those of both sexes who still choose to go "all natural."

Pirates have a fabulous flair for fashion which is displayed by their vast variety of dress. Some like it hot in oversized sweaters and jackers, and some like it cool in shorts and tees. Whether it be classy, sporty, trendy or mod, Pirates tend to be real trend setters.

It's time to talk about what's hot and what's not in the notorious Pirate Paradise.

First we'll step into the wonderful world of fashion with some fabulous footwear. Pirates are footloose and fancy-free in anything from terrific tennies to beloved Burkenstocks or from kick-back rhongs to the classic loafer. Also hot to trot right now are Fela, and some of the more daring even choose to bare all and go barefoot.

Time-of-your-life places that are totally now, totally wow! Pirates hit the beaches, San Francisco or some stick close to home and eat a delicious Mr. Mike's Pizza.

But remember, no matter what we wear, what we do or where we go, our true Pirate spirit shines through.

This is Pirate Paradise signing off from what's new now in fads, fashions, and beyond!

The card game 31 was a big pirate hit.

Come meet the Class of '87. Experience their endless energy, stamina, and perseverance for excellence in academics and athletics. They are credited as "one of the best classes to come through Piedmont Hills in the last ten years," states Mr. King, a statement repeated by numerous faculty members.

"They have more than their share of nice kids, more than classes usually have," explains student advisor Paul Fernandes, "And they are very strong academically and athletically."

"The Class of '87. Absolutely great!" Mr. King, senior class advisor.

"Our class is special," answers Heather Fleming. "Our class' success comes from our union. We may not always be organized but in the end everyone comes together."

Now come and relive the adventure of the Class of '87. Four years ago, in 1983 they embarked on a journey. With arrival on campus, their hands extended towards anyone who looked friendly or helpful. Putting away junior high colors they found comfort and pride in the maroon and white of Pirates. Spirit week they gave their best shot with a sports theme. A football game skit performed by '87 girl

players and '87 guy cheerleaders entertained the lunch crowd. They took a fourth in Spirit Week and F.A.N.T.A.S.T.I.C.S. but developed a pride in their class and school.

Sophomore year hands reached out and they found people willing to grasp them. During Spirit Week they raided linen closets and dressed in sheets for their toga theme. At lunch they held human chariot races. The class took a third place but later shocked the school with a second place in F.A.N.T.A.S.T.I.C.S. over the Class of '86.

CLAS

The grip tightened Junior year, as groups of hands joined together resulting in unity and strength. This class was moving stronger than ever. They took first place in every class competition rally. The beach was brought to San Jose during Spirit Week. The Juniors held a smash beach party and surfing contest. Loud and clear they sang, "You wish you all could have Junior spirit now," to the tune of California Girls. The class took a close second but made it up by a close first in F.A.N.T.A.S.T.I.C.S. The Class of '87 dominated year with the class spirit trophy.

The Junior's party abilities were up to par with their elegant Junior Prom. Chris Brown and Lori Finnerty were crowned king and queen as they danced to the theme song "This

Could be the Night."

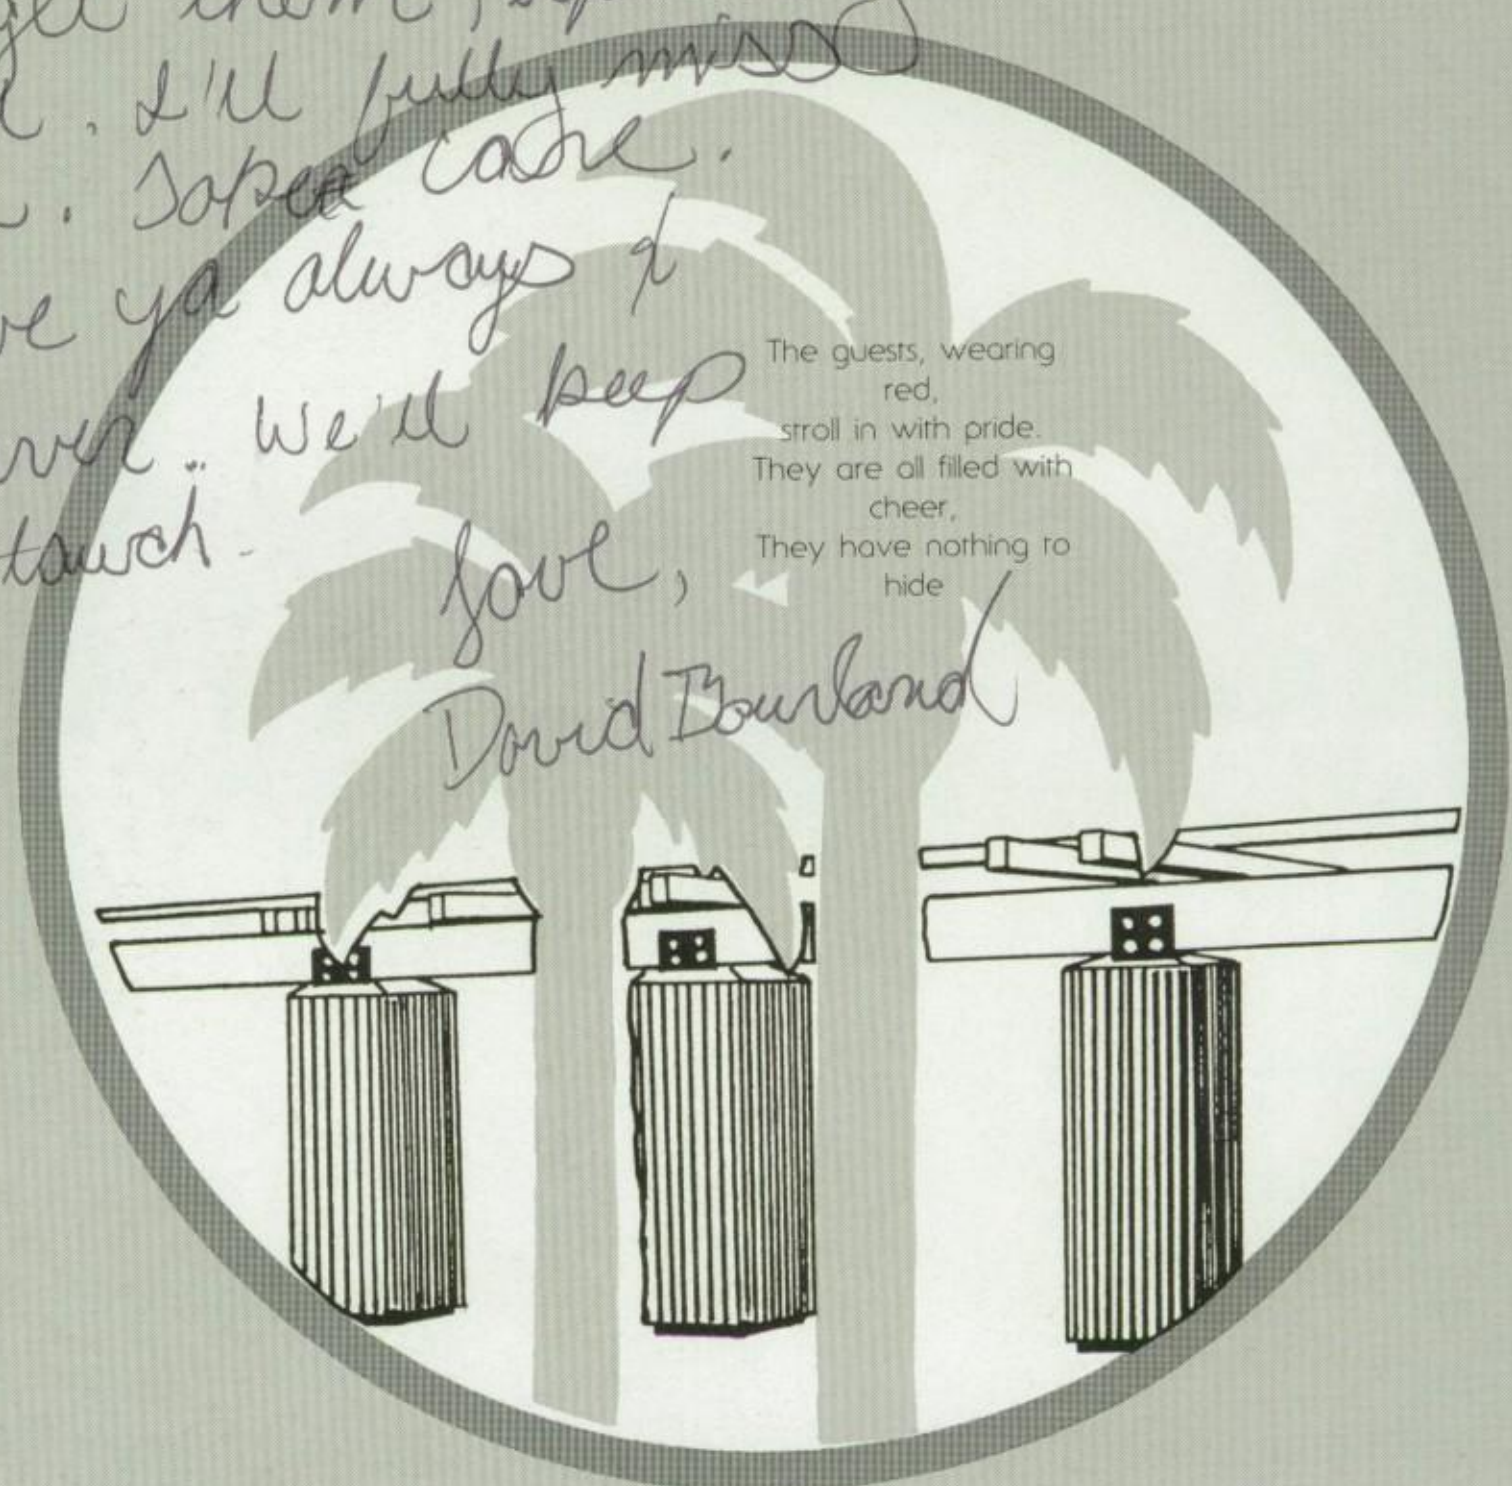

Senior year the hand tightened with the fear of letting go. Their domination continued. They spent the first semester individually searching for higher education or a job after graduation. During spirit week the Seniors became a little sentimental and showed their school spirit with a pirate theme. They built a pirate ship and forced the homecoming opponents, Overfelt, to walk the plank.

The Senior Ball was celebrated with much cheer. The Class of '87 planned a graduate night to Disneyland and Southern California beaches. At graduation the hands dropped but the strength and unity still flows and will flow forever.

allison,
 you been a totally sweet

senior class dedication:

mr. doug wong

It's been said that the class of 1987 is one of the best group of guests to ever visit Club Piedmont Hills. A lot of the credit for this class' success goes to Mr. Douglas Wong. Mr. Wong has been instructing in our science department for twenty years. He is currently teaching both biology and physiology. And besides being a class advisor, he is also an advisor for ARA, our chapter of the National Honor Society.

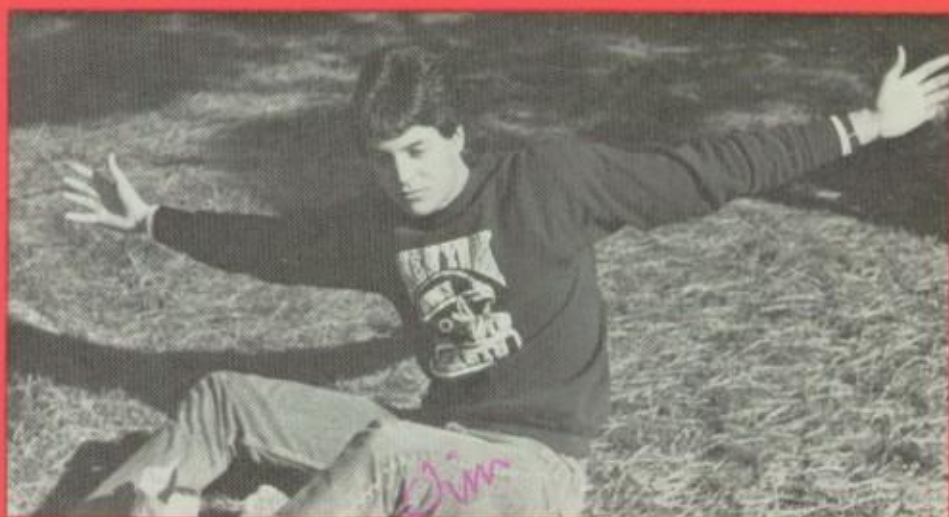

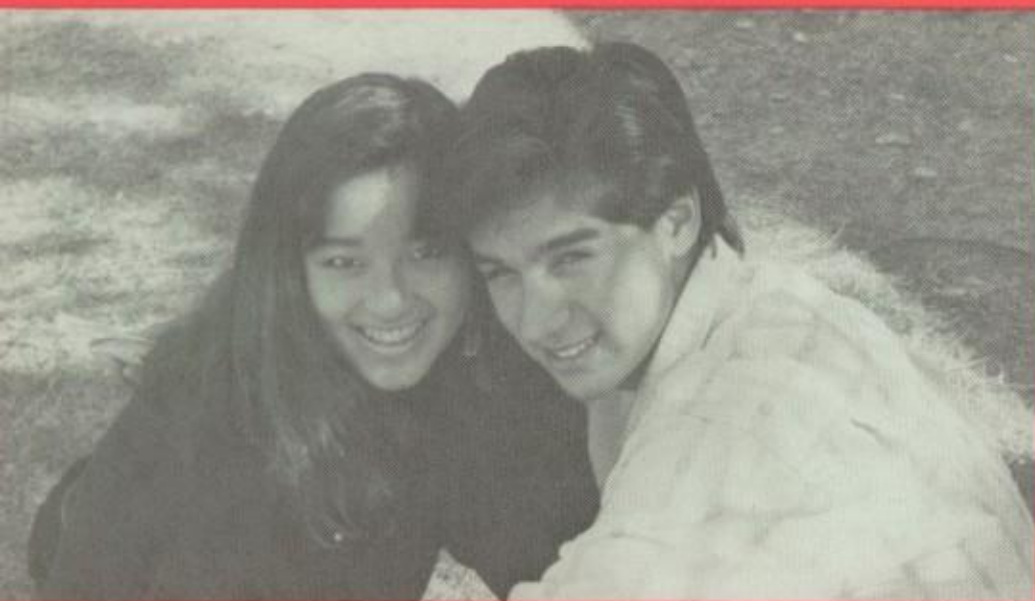

Those of you who do not know Mr. Wong may be wondering what makes him so special. He has put many of his own hours into the planning and organizing of rallies, fundraisers, Spirit Week, F.A.N.T.A.S.T.I.C.S., the Junior Prom, and the Senior Ball. Although this is a tremendous amount of work, all class advisors put forth this kind of effort. What makes Mr. Wong so special is the extra effort he is always willing to offer. When the class has been threatened with the loss of funds or spirit points, he has always jumped to our defense. His calm but direct style has always saved the day. No matter what arises has come up, Mr. Wong has always pulled us through.

So Mr. Wong, we would like to thank you for all you have done. Your devotion has been an inspiration to us all. And as we leave our Paradise to fulfill your high expectations of us, our memories of you will be filled with gratitude and admiration. We can only hope you realize we are forever indebted to you for making our stay at Club Piedmont Hills one we will never forget.

"The class of 1987 is the best class ever. They're highly spirited, intelligent, ambitious, and fun to work with. Our class will be hard to beat!"

Mr. Doug Wong

We have finally ended
our four years here,
it's time to say goodbye;
one last tear.
We've waited so long,
now it's come our way
the time has come;
Graduation Day.
There are times that we've hated,
even times we regret
but overall there are memories
we'll never forget
So when today
becomes "remember when"
take some time
to remember again;
the way it is
and the way it was,
four years of friendship
four years of love.
To the underclassmen
time goes by fast,
so believe the seniors when we say
make each moment last.
We've learned to grow up
and let go of each other
but the memories in each of us
will last us forever,
We don't want to let go,
but we must;
remember the good times
the memories of us.

exploring the world

Many of our guests here at Paradise Piedmont Hills are interested in different cultures, governments, and countries. They can learn of these things through our social studies department, led by Mr. Buonocore. We offer classes on world cultures, United States history, American government, and civics. Our outstanding staff was recently joined by native Mr. Enriquez. Our guests' curiosities are satisfied with the knowledge they gain from this department. With their help, our vacationers can learn of the wonders of world without leaving our tiny Paradise.

With the many enrichment courses offered during your stay at Club Piedmont Hills, an enjoyable one is Bingo Management. A required course for two years, Bingo Management is designed to be enjoyable, yet mind stimulating. The work that makes the math department so successful is the patience found in the staff members. Lead by Mr. Mialovich, the department always leaves our guests feeling highly educated. For the first time in many years, this department was given new text books in both Geometry and Algebra I. Other changes include the switching of teachers rooms for a "change of scenery". Mr. Method and Mrs. Palmer share their knowledge with this department for one period each and are said to be doing an excellent job. Says director Mr. Mialovich, "We do well and are very proud as a department of our standing in the district and in the county." The hard work of the staff leaves guests not only with a memorable stay, but with a feeling of accomplishment as well.

This seems to be one of our most popular courses since all of our guests take it during their entire stay. The English department is led by Mrs. Delfino, and was recently joined by Mrs. Dampier and Mrs. Van Tuyl. These two are welcome and outstanding additions. The entire staff shares a love and enthusiasm for literature. Shakespeare, Dickens, Hawthorne, and Carroll become friends of the guests as they become worthy writers themselves. Who knows, one of them may become the next Shakespeare!

Some of the best courses Club Piedmont Hills has to offer come from our science department. The extensive curriculum includes such classes as biology, physics, chemistry, and physiology. Also, they've just added a new freshmen science program. The outstanding teachers in this department are led by Mr. Towle. What makes these teachers special is that many of them put in the extra time that makes Club Piedmont Hills such a great place. But the devoted staff is only one of the things that make the science department so popular. Another reason is that our vacationers get the opportunity to learn how and why things happen in the world around us. The science staff would be extremely happy if they could finally get our science facility remodeled and completed. In the mean time, they will keep up their good work here at Paradise Piedmont Hills.

native languages

Since many of our guests enjoy traveling, we love to enrich their travels by teaching the native languages of many countries. The head of this extremely useful department is Mrs. Giannini. One of the many languages they offer is French, the language of love. The treasure of the French department is Madame Sauvage, who is as French as croissants. Through her perfect dialect and flawless accent, she can have you ready to tour Paris in no time. The other language we have to offer is Spanish. We are extremely proud of this department. Club Piedmont Hills has the only Spanish IV A.P. class in the district. And it is not only a standout in the curriculum, it also has an outstanding record. Every single student that took the Advanced Placement test last year received college credits for the class. With such an excellent foreign language department, our guests will soon be well prepared international travelers.

Our business department allows for the executives and businessmen at Club Piedmont Hills to keep their skills in tune. We offer courses in advanced business skills, typing, accounting, and word processing. The professional staff was joined this year by Mr. Azevedo and Mr. Method, and led by Mr. Miner. Don't let the fact that our teachers are wearing Hawaiian shirts and leis instead of suits and ties fool you. They are as qualified as the strictest corporation board member. We know our Paradise may not be the ideal place to practice something as stuffy as business skills. But because we also know how vital these skills are to our guests' careers, we make the classes as enjoyable as possible. Everything would be perfect if our guests could keep the pineapple out of the keyboards! Either way, this department performs a necessary service to our guests.

Club Piedmont Hills wants all of its guests to have a relaxing, fun-filled vacation. But, they also want them to learn skills that aren't necessarily vital, they're just nice to have. For example, we have art classes that will teach you how to sketch your favorite scene. Mr. Schnell is the head of this department, and with the help of Mr. Sierra, he will give you any pointers you may need. Mr. Mirchell has just recently become a fulltime photo teacher, and his expertise will teach you how to permanently capture any of our beautiful sunsets. Mr. Dalcomb's industrial education department will teach you how to keep your cars running, make crafts out of wood, and draw architectural designs. Mr. Ghiggeri will teach you to drive, so you can tour our Paradise. And if you ever want to extend your knowledge through books, Mr. Sunshine himself, Mr. Goldhamer will be happy to help you out.

Our special education department's main goal is to improve the academic skills of our guests with learning disabilities. This dedicated staff is led by Mr. Dutcher. One thing they are trying to do is increase their computer lab. Currently they have seven computers, and they soon hope to have even more. Also, they are trying to get a big screen television with video equipment. One of the energetic teachers, Mrs. Frandsen, feels this would help to build her students' self-esteem and confidence. This is an example of how Club Piedmont Hills works to meet the needs of all our guests.

For a change of pace, Club Piedmont Hills offers many activities in their physical education department. From swimming to soccer, we have it all. If the weather is full of its usual sunshine, you can use our glimmering swimming pool. If you'd like some fresh air, we have beautiful outdoor courts and fields. And if we should have an unusual cold spell, our indoor gym is always available. And in the near future, we will have even more to offer. The department heads, Mr. Spina and Miss Azama, and their energetic staff are currently at work on putting in a par course. This will be great for our health conscientious vacationers. Also, the physical education instructors are trying to turn the desolate dirt area near the student parking lot into an additional grass field. This is just another example of how this excellent staff is trying to make your stay as fun-filled as possible!

This year's journalism class, otherwise known as The Legend, was made up of twenty-one dedicated students. These students have put in long hours to make our school newspaper a success. Some changes have taken place this year, including the transition from ordinary white paper, to extraordinary newsprint. The staff was also given access to the Apple Computers in the business classroom, which proved to be a big asset, and made publication

more incredibly efficient.

The staff is divided into two groups, each of which produces a Legend approximately once a month. As their reliable class advisor, Mr. Crowther states, "I think a school newspaper creates a sense of unity in any school, and of course it keeps the student body informed." Three cheers for Mr. Crowther and his outstanding crew! They truly were our 'Paradise Information Center'.

fun, exciting, pirate activities . . .

The Lerrergirls in action

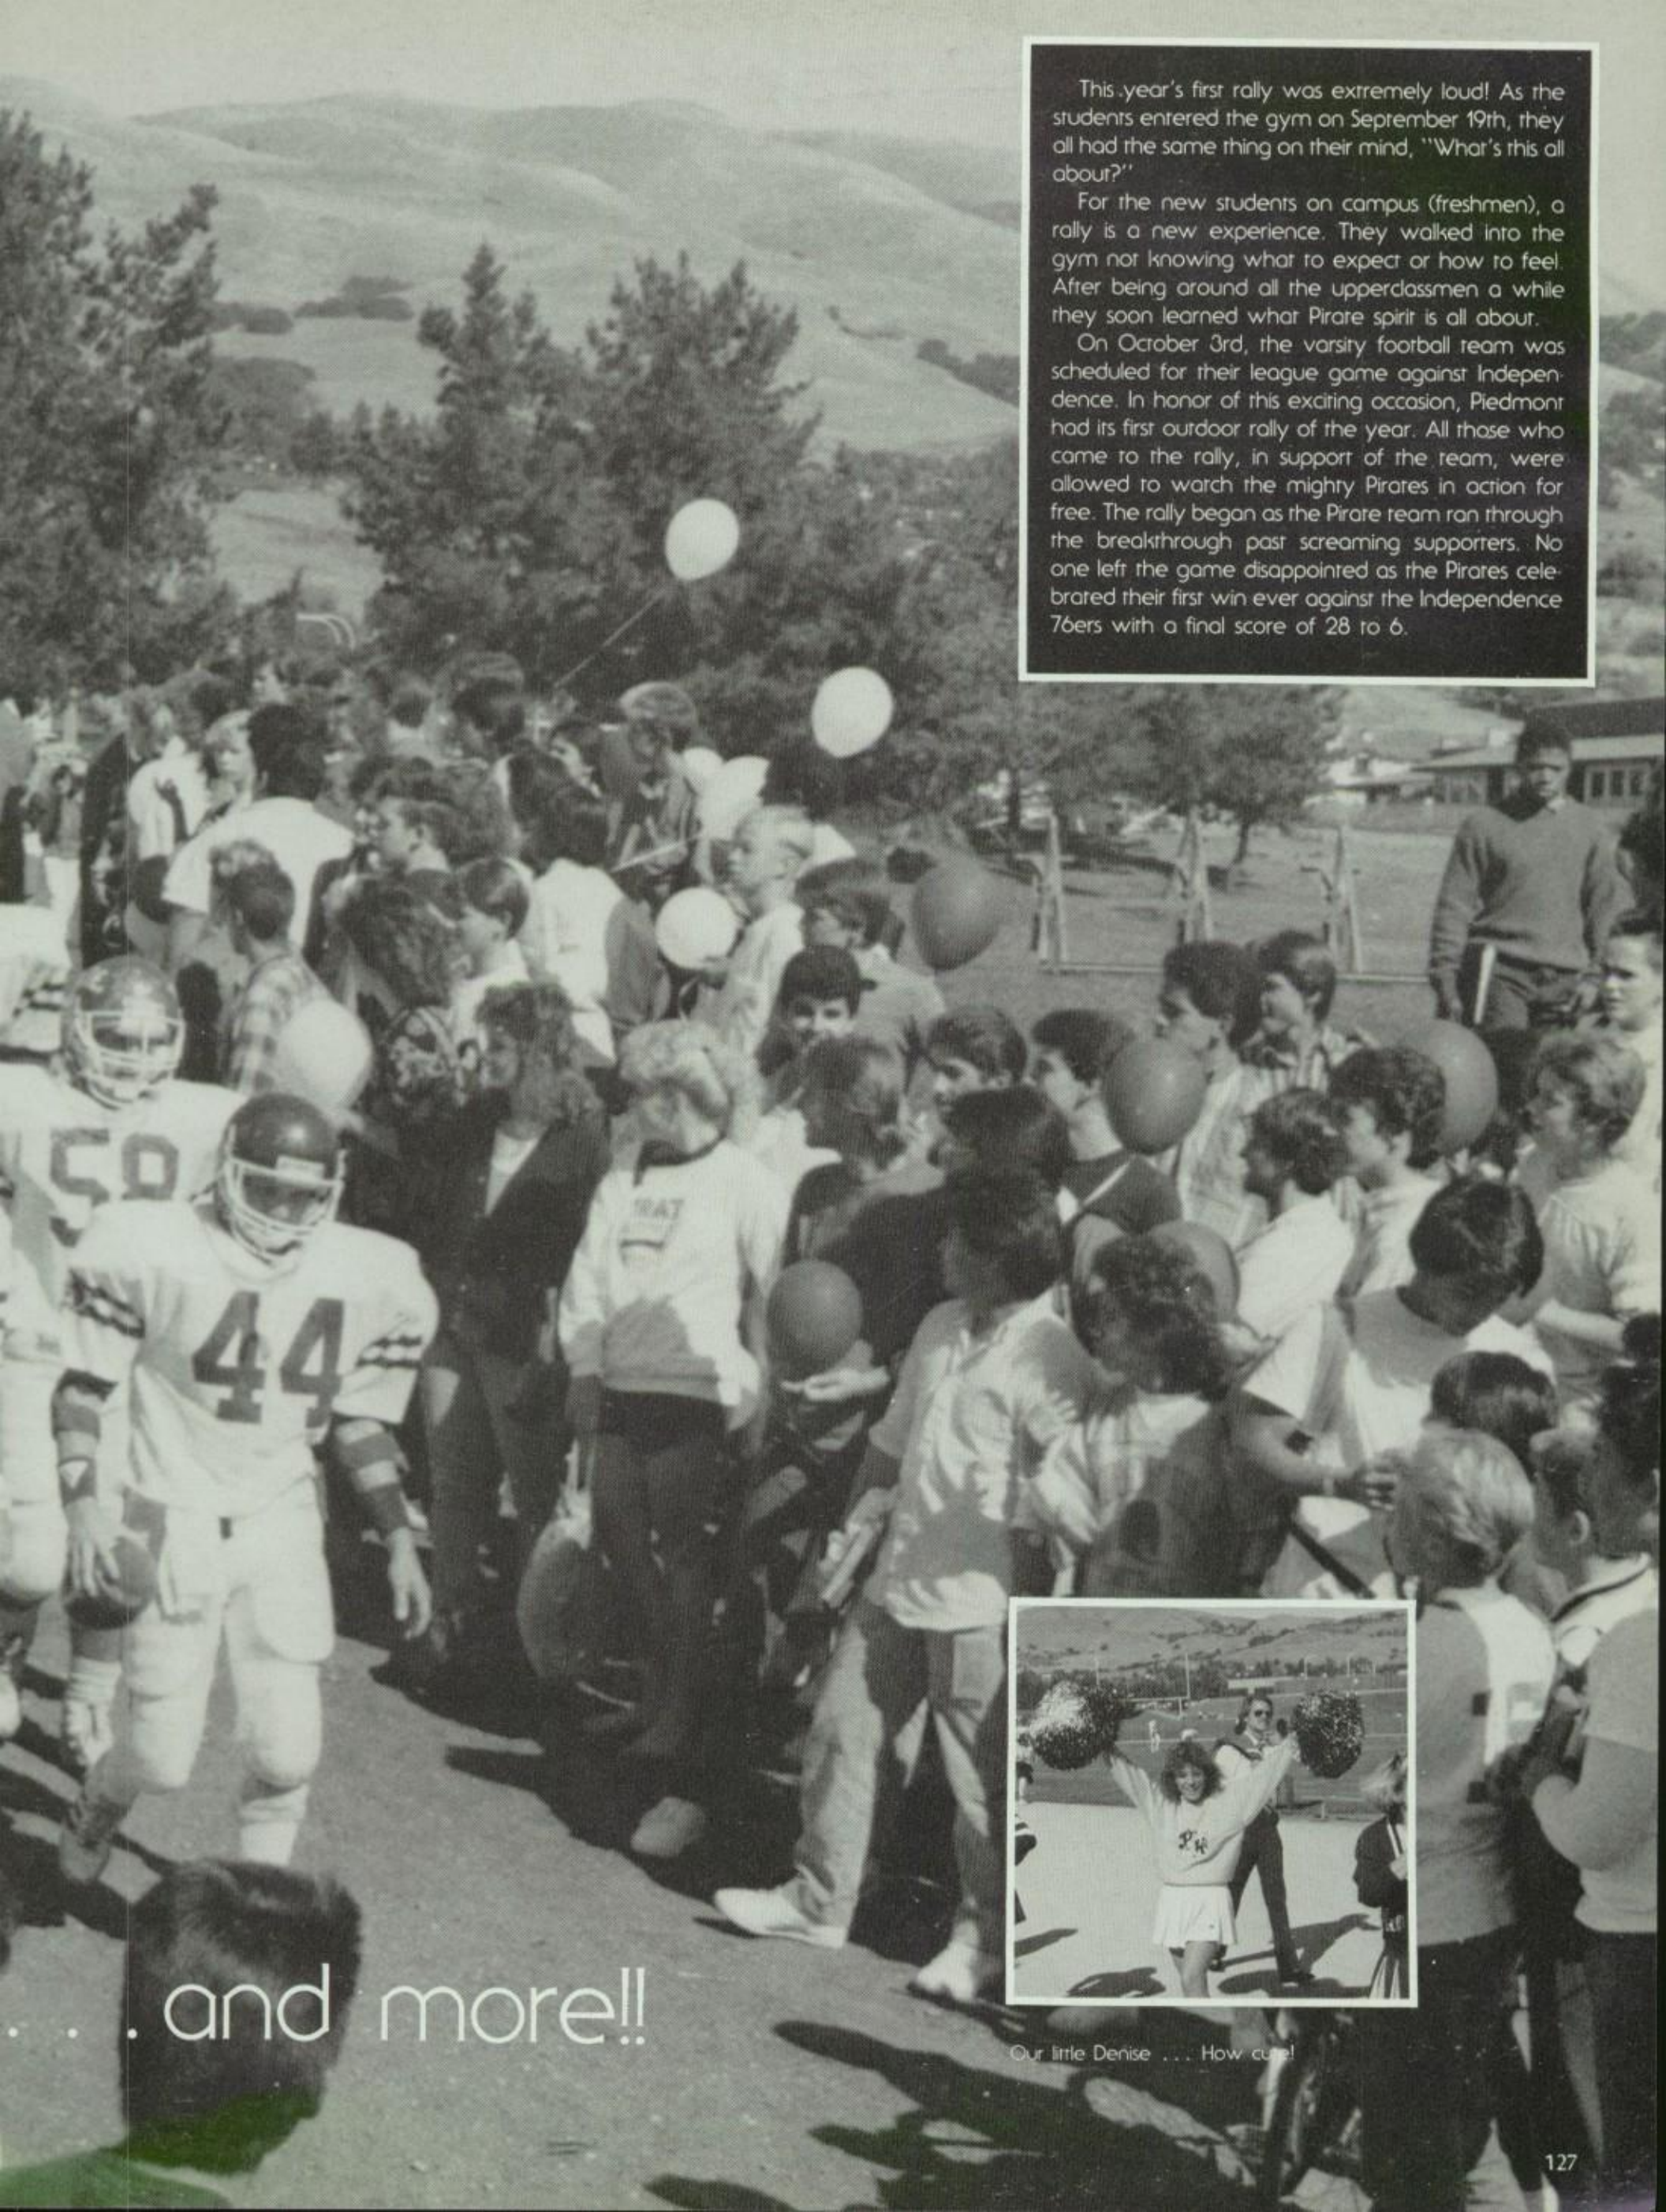

The Pirate football players, wild and crazy!

This year's first rally was extremely loud! As the students entered the gym on September 19th, they all had the same thing on their mind, "What's this all about?"

For the new students on campus (freshmen), a rally is a new experience. They walked into the gym not knowing what to expect or how to feel. After being around all the upperclassmen a while they soon learned what Pirate spirit is all about.

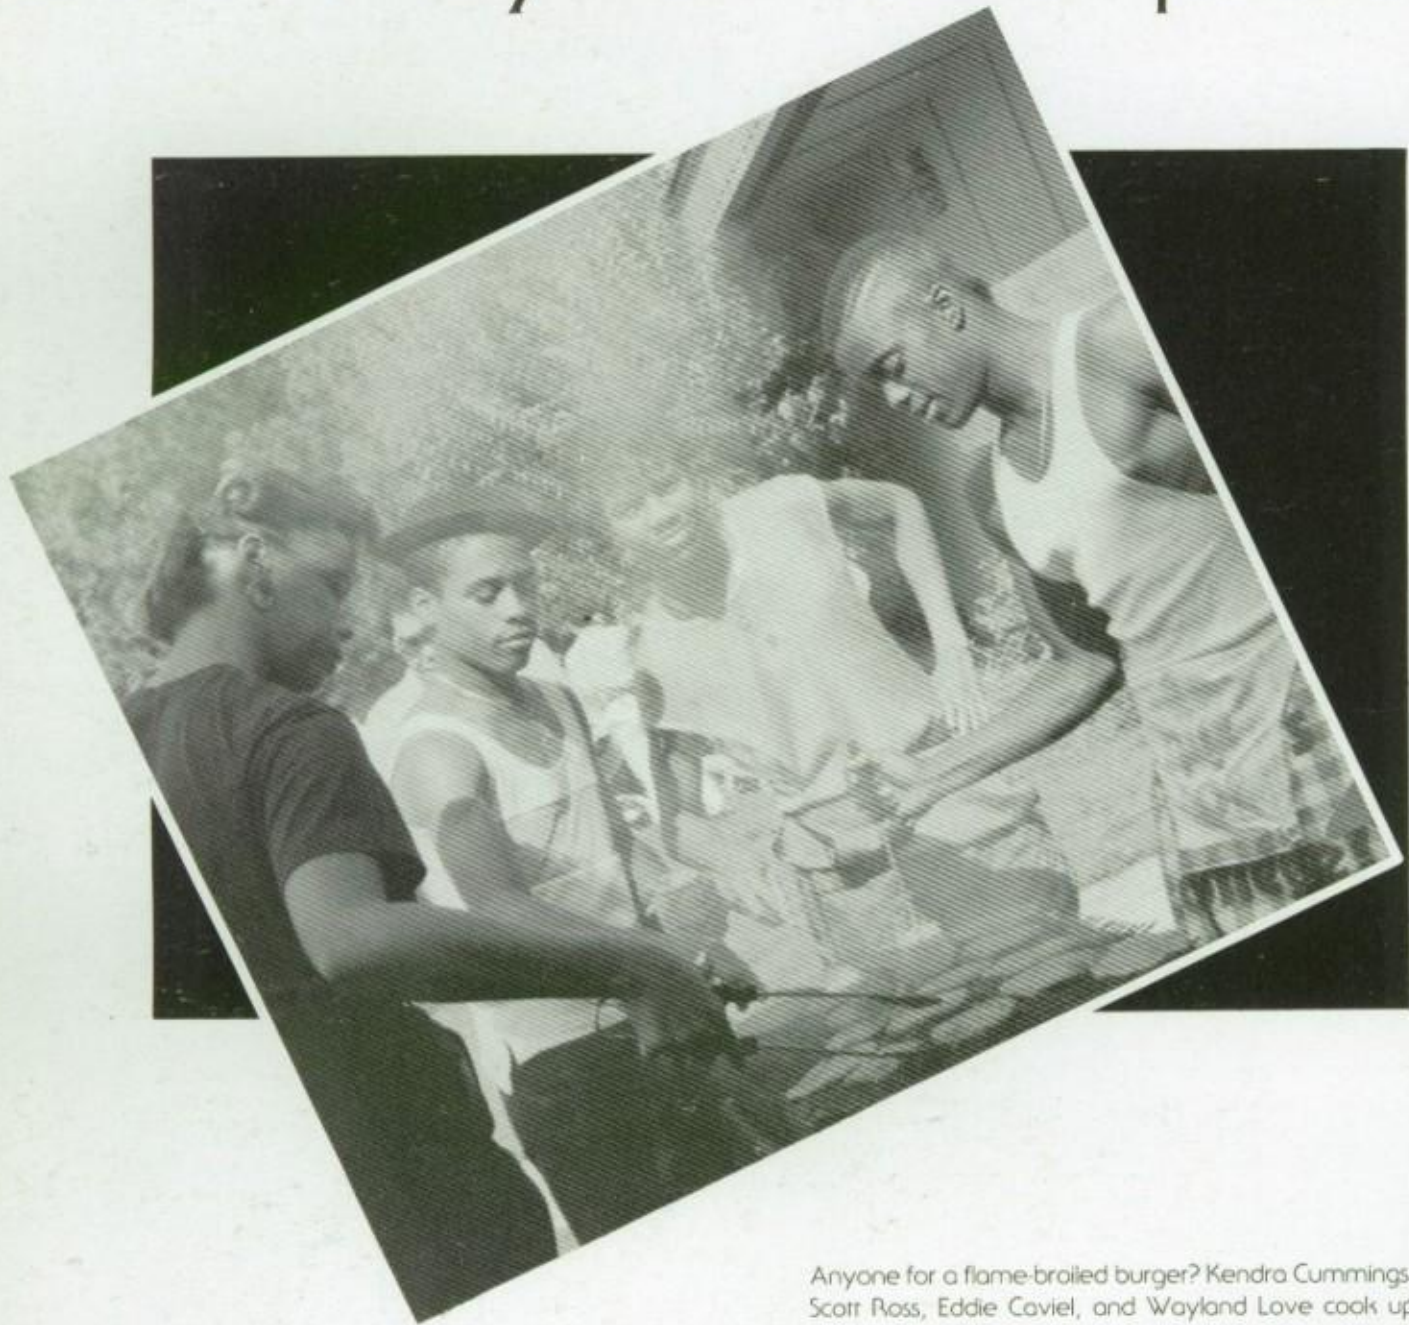

On October 3rd, the varsity football team was scheduled for their league game against Independence. In honor of this exciting occasion, Piedmont had its first outdoor rally of the year. All those who came to the rally, in support of the team, were allowed to watch the mighty Pirates in action for free. The rally began as the Pirate team ran through the breakthrough past screaming supporters. No one left the game disappointed as the Pirates celebrated their first win ever against the Independence 76ers with a final score of 28 to 6.

My stomach twisted and turned as I built up the courage to ask him to be my date at the Sadie Hawkins Dance on Oct. 17. I was terrified to ask him but I finally did and he said, "Yes"! The next step was to decide what to wear. Shopping with him was great, but it took forever to decide which matching shirts we wanted. We had the ultimate time at the dance. We danced the night away with music by Unlimited Play, were pronounced man and wife by Marryin' Sam, and held hands on the haystacks as we sat to take pictures. We ended the night by slow dancing to "Friends and Lovers". At that time, I couldn't help but think about how happy I was that I had asked him to go and I realized the fear that guys must feel when asking out a girl.

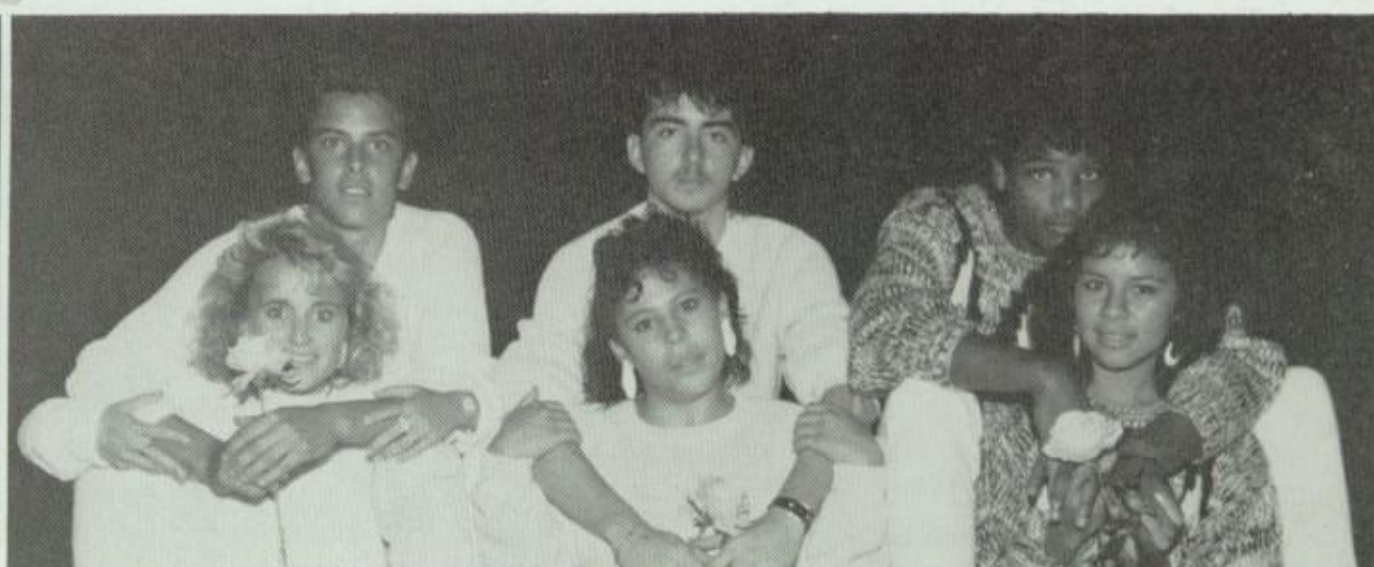

"The day of the Sadies I washed the shirt that my date and I had bought; it shrunk and we had to go out and buy two brand new shirts in a hurry!" Beth Maier, Senior.

"When Aaron and I were taking pictures my friends made me laugh and I lost my balance and sorta fell off the haystack a little. I was so embarrassed. I was sure the pictures would come out with my face all red." Joan Junio, Sophomore.

"When my date and I were taking pictures I was chewing gum and the photographer told me to spit it out. I took the gum out and threw it over my shoulder into the gym." Nancy Green, Senior.

Seniors PIRATES

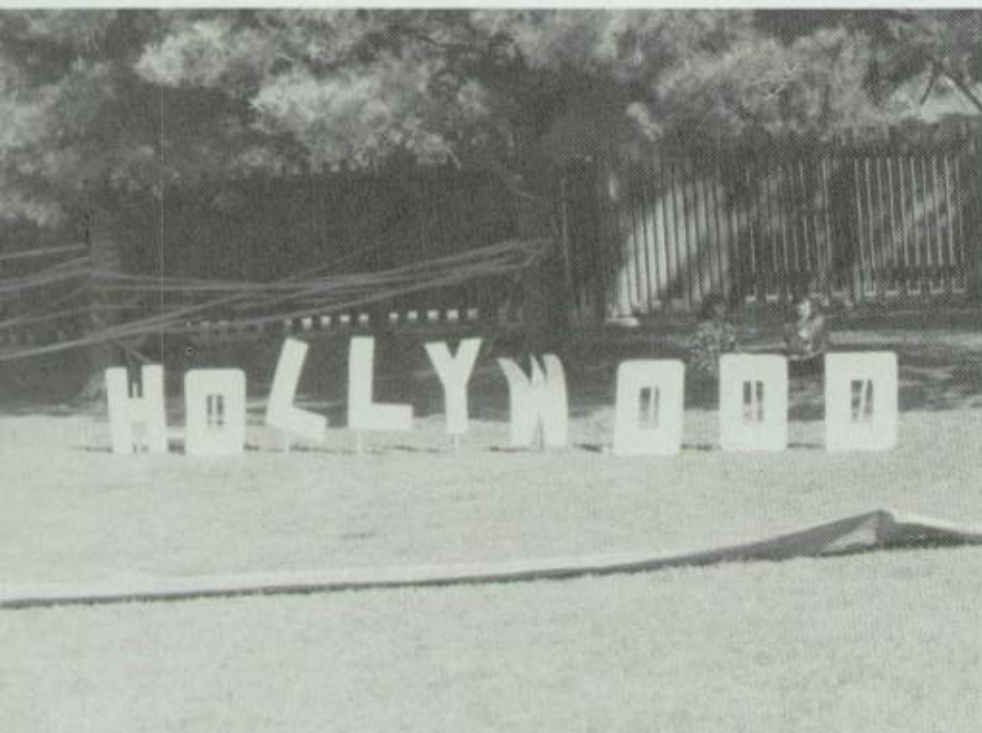

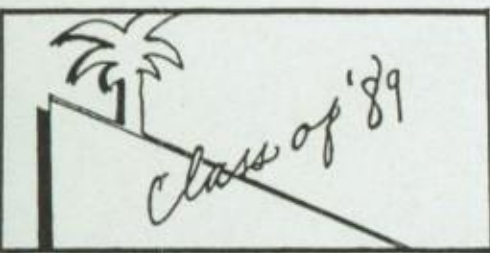

Juniors DISNEYLAND

The colors are down, but spirit is up, this year's spirit week the time is up. This year's fun filled week all started Monday with the small, but spirited class of Sophomores. They started the week out by bringing out the theme of Hollywood. Dressed up as they were walking the streets of downtown L.A. The next day the Freshmen took the stage. They brought the 50's back to the 80's. Greasers, Punks, and Poodle skirts covered the quad.

While the Freshmen were leaving the Juniors were following close behind with their theme, Disneyland. Mickey, Tinker bell, and many other characters brought life to Piedmont Hills. The fun filled week ended with the mighty Seniors. The strong class full of spirit took the Pirates as their logo for the day. Pirate ships floated across campus while Pirates had their duels over treasures.

Freshmen FIFTIES

The scores were totaled, garbage was picked up — this year's spirit week was finally up. It was the Seniors finishing first, the Juniors second, the Sophomores third, and the Freshmen fourth. The traditional ending of spirit week ended with the glorious Homecoming Rally. All of the candidates and escorts lined up, nervous, but ready to take that stroll down the middle lane.

presents homecoming '86

Everyone was invited to our main ballroom on Nov. 7th for the most glamorous and exciting event of their stay. The crowd was hushed as twelve of our most prominent guests stepped out dressed to impress in their best attire.

Our candidates were: John Mueller nominated by girl's varsity tennis, Chris Blorn nominated by girl's swimming, Raul Tiffer nominated by the frosh/soph volleyball team, Vince Johnson nominated by the varsity volleyball team, Daniel Yetter nominated by ASB, and Tim Eckardt nominated by girl's cross country. Our female candidates were Laurie Stearns, Lorraine Rossini and Karl Dobashi all nominated by our varsity football team, Vicky Evans and Lori Finnerty both nominated by frosh/soph football, and finally Jennifer Bahringer nominated by the boy's cross country team.

Our candidates all looked dazzling as they entered the ballroom but unfortunately only four of these would be chosen. Our first runners-up were Tim Eckardt and Jennifer Bahringer and our new, 1986-1987, homecoming king and queen were Daniel Yetter and Lori Finnerty. Congratulations!

The Date of the Bed

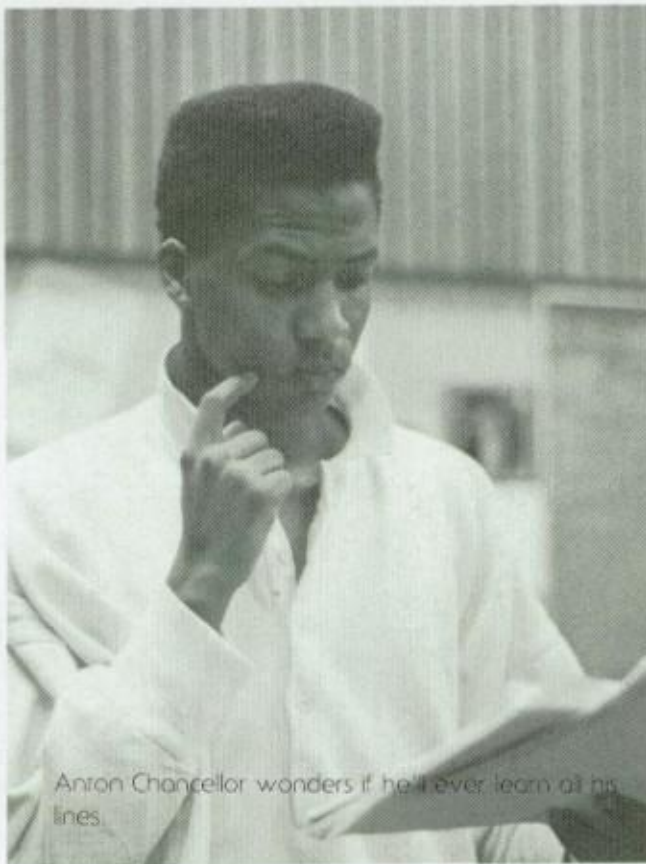

This year's fall play, *Night of January 16th*, was unlike any other Piedmont production. It was a courtroom drama, a murder trial, using the audience members, chosen at random, as the jury.

"We're real excited!"
Director Patty Gassman

Mike Huber's determined not to let anything break his stride.

Anron Chancellor wonders if he'll ever learn all his lines.

As Nancy Paulner, Tami Baldwin gets emotional trying to restrain her grief.

"I was really impressed."
Lisa Wellsand.

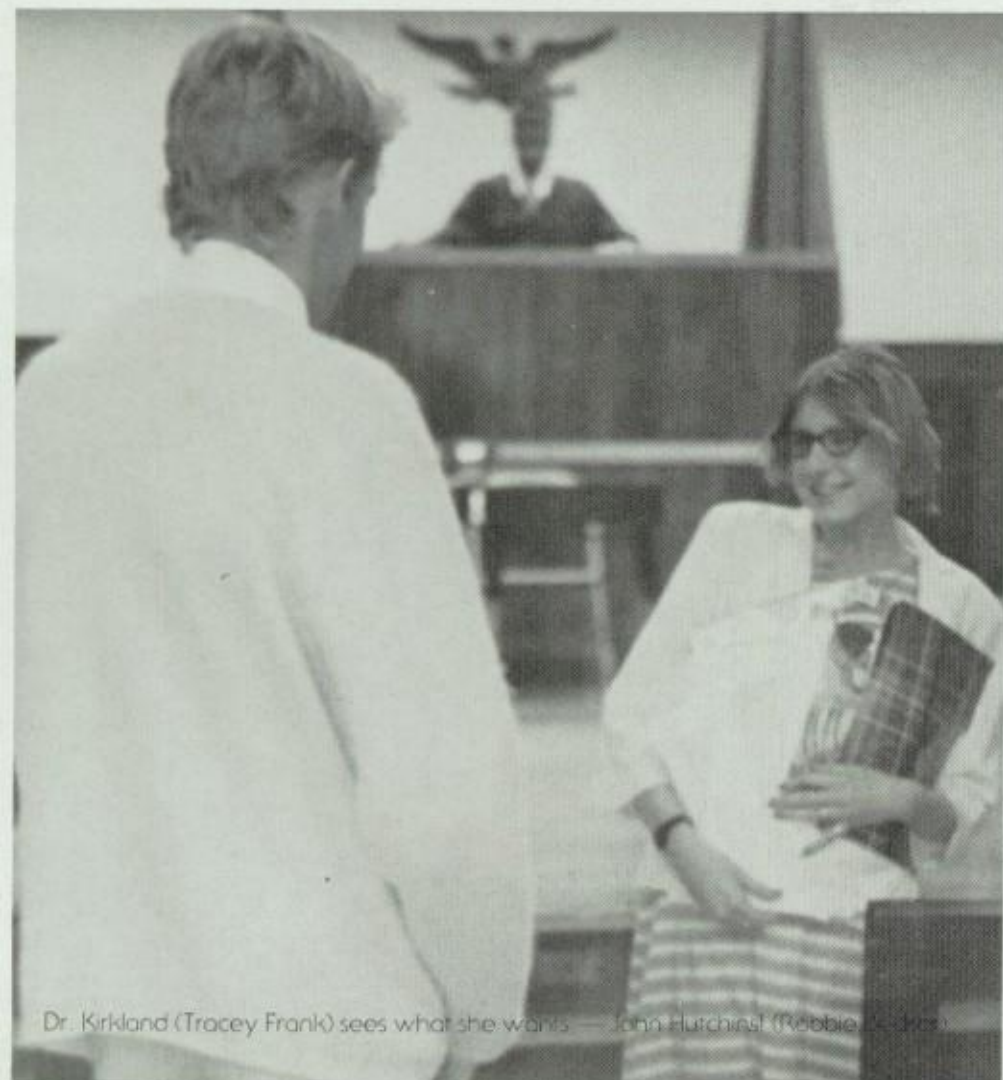

Auditions were tough, mostly because of all the talent Piedmont has to offer! But as anyone knows who has ever been in a Piedmont play, in both acting and tech, to succeed in making each performance remarkable takes not only talent, but a lot of hard work.

Mr. Gassman's directing is what has brought our school drama department so far in the past few years.

Cast: Anron Chancellor, Tami Hargrove, Stephen Streele, Steve Richter, Shannon Frank, Suzie Thrash, Dayna Stein, Kristine Reardon, Tracey Frank, Robert Becker, Mike Thompson, Jason Coffer, Mike Huber, Todd Hudelson, Paul Meeks, Bonnie Lynne Wonels, Arta Worick, Tami Baldwin, David Fear, Susan Laine, Paige Hatrey, Donald Erwin, Julie Butler, Jennifer

Pacheco, Tracy White, Yvette Derring, Melissa Ivey, David Mulcrone, Kathy Caughey, Robbie Boose, Bill Collins, Daymon Ferguson, Deanna Miller, Julie Webb, Christina Howell, Michelle Pignotti, Mikela Rezzonico

Warming up before the show Bonnie Worick, Julie Webb, and David Mulcrone

The finished production was a complete success. As director Ms. Patty Gassman stated to one of her Drama classes, "I think this is the best we've ever done!" Performances began Wednesday, November 12, and continued for four nights.

pirates drained for life

Eric Havlend gets his temperature and blood pressure checked to make sure that he is in good health. Will he go through with it?

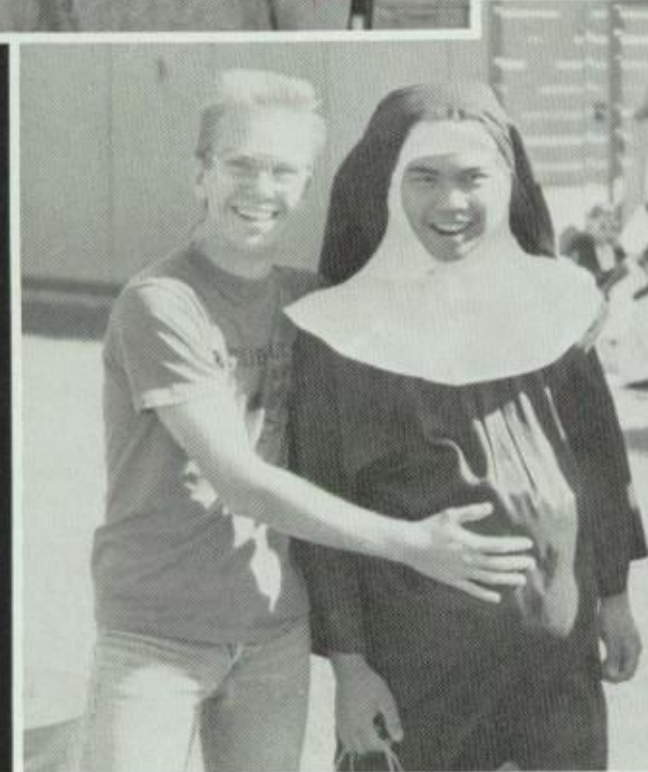

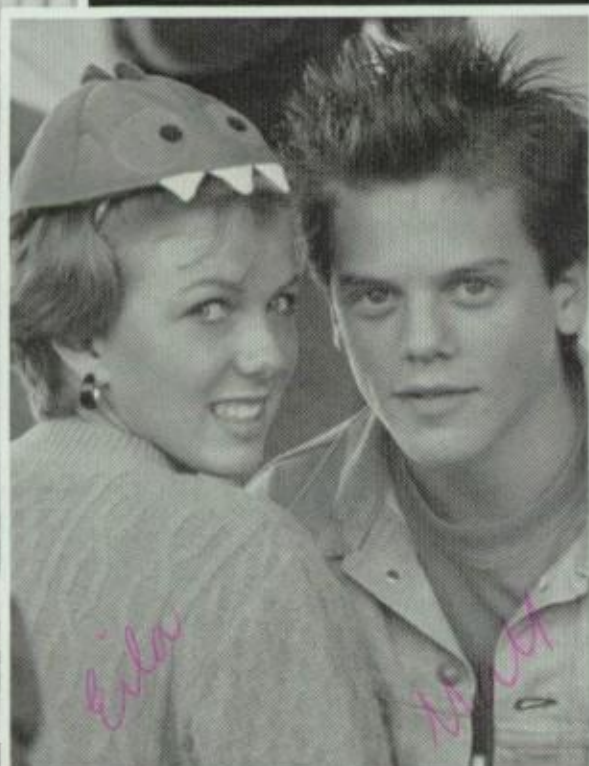

Chris Biorn and Leo Dimarumba show their wounds. They will live!!!

Overall this years blood drive was a success! Approximately 83 people gave blood or at least tried, 2 people fainted throughout the whole thing. Thanks to the concern and generosity of the faculty and student body, the blood drive went great!

from draining to dressing-up

October 31st didn't pass forgotten at Club Piedmont. Many of our guests got involved in Halloween activity either by dressing up in a variety of costumes or for our hungrier visitors, pigging out in a pie eating contest. Our

guests were offered a variety of ways to help us bring horror and fun to Paradise and did a very good job of it. With their cooperation this Halloween was an unforgettable one.

Christmas In

There's only one thing missing when Christmas comes in paradise, and that's snow. But fun, goodwill and singing seem to make up for it, and none of our guests leave disappointed.

On December 11th it was time for fun with our annual Christmas program, and on December 16th it was time for singing when the Lu

Burbank High School Inspirational Choir from Sacramento got our guests into the spirit with a Winter Concert. And afterwards, those involved with our foods program, headed by Mrs. Roberta McClinton, presented a luncheon to senior citizens in the spirit of Christmas.

paradise falls in love . . .

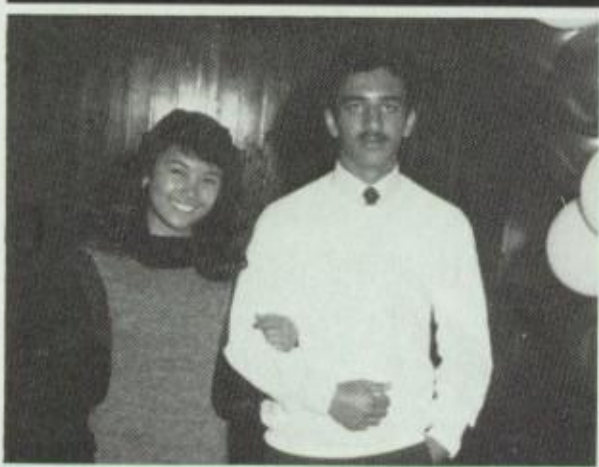

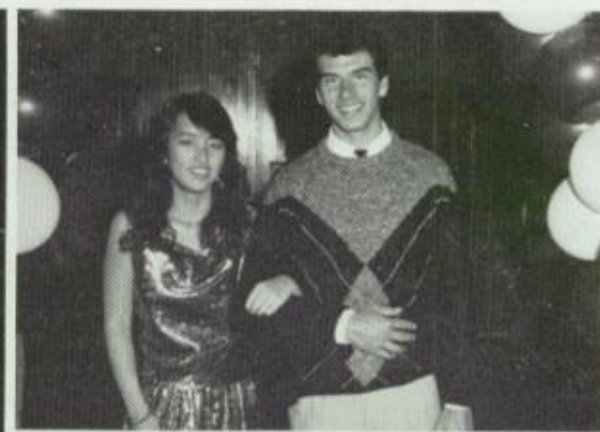

1987 Valentine's King & Queen Luis Juca and Lara Stuart

First runners up Thor Harrison and Missy Cardwell

Love is definitely in the air as our guests get a head start on Valentine's Day with a rally especially for this occasion on February 12th. Of course no Valentine celebration would be complete without a king and queen, not even in paradise, and this rally fits the bill with eight stunning candidates nominated by various sports. The crowd goes wild as the candidates are introduced, cheering them along as they walk across the main hall to their seats. To prolong their suspense our guests will be entertained by our spiritleaders, who raise their spirit and lead them into more cheering. Finally the big moment will come, and for once during the whole celebration there will be silence as everyone anxiously awaits the results. First the runners up; Missy Cardwell and Thor Harrison are introduced and then the new Valentine's king and queen; Lara Stuart and Luis Juico. The cheering resumes and once again the main hall is filled with yelling.

Sydney Valle nominated by girl's frosh-soph basketball and escorted by Marciel Ignacio; Michiko Taniguchi nominated by boy's soccer; and escorted by John Mueller; Ari Johanian nominated by girl's soccer and escorted by Illyn Nepomoceno; Missy Cardwell nominated by boy's soccer and escorted by Isado Byrd; Luis Juico nominated by the spiritleaders and escorted by Marikit DelRosario; Laurie Stearns nominated by boy's frosh-soph basketball and escorted by Mike Shepard; Thor Harrison nominated by girl's varsity basketball and escorted by Nia Johnson; Lara Stuart nominated by boy's varsity basketball and escorted by Vince Johnson.

pirates on stage

This year's spring musical, performed on March 25, 26, and 27, was the first Broadway musical to hit Piedmont Hills. "Bye Bye Birdie" was a production about a young, hot, rock singer who has been inducted into the Army. The whole nation becomes upset over the draft, so Birdie's manager, played by Stephen Sreele, thinks up the idea of having Birdie, played by Todd Hudelson, appear on the hit television series, the Ed Sullivan Show to sing one last song, and give one last kiss before going off to war.

Other cast members include: Atta Worick, Anton Chancellor, Suzanne Thrash, Michael Huber, Chris Collins, Donald Erwin, Tami Baldwin, Paige Harrey, David Fear, Kevin Nutter, Stephen King, Jason Coffey, Tracey Frank, Dayna Stein, David Bourland, Robert Becker, Kelley Jackson, Kristi Pappen, Tami Hargrove, Julie Wylie, Michele Treolo, Lisa Daniels, Julie Butler, Tenia Worick, Robbie Becker, Craig Starks, Michelle Pignatti, Bonnie Waneis, David Mulcrone, Cindy Avitia, Diana Delgado, Daymon Ferguson, Michele Tortorici, Doug Mooneyham, T. Van Randall, Vicky Wu, Julie Webb, M. Rezonico, Susan Laine

the thrill of victory and the

Excitement filled the air on March 20 when the classes joined together to show their strength and spirit on one "FANTASTICS" night. And along with the thrill of victory, came the agony of defeat.

The victorious class of '87 stole the show once again by receiving their second consecutive win over the other classes with a score of 225. But really close behind with a score of 220, was the class of '89, showing the other classes they

mean business. The class of '88 once again played second fiddle to the class of '89, but put up a good fight with a score of 190. And the class of '90 trying their hardest, ended up in fourth with a score of 115.

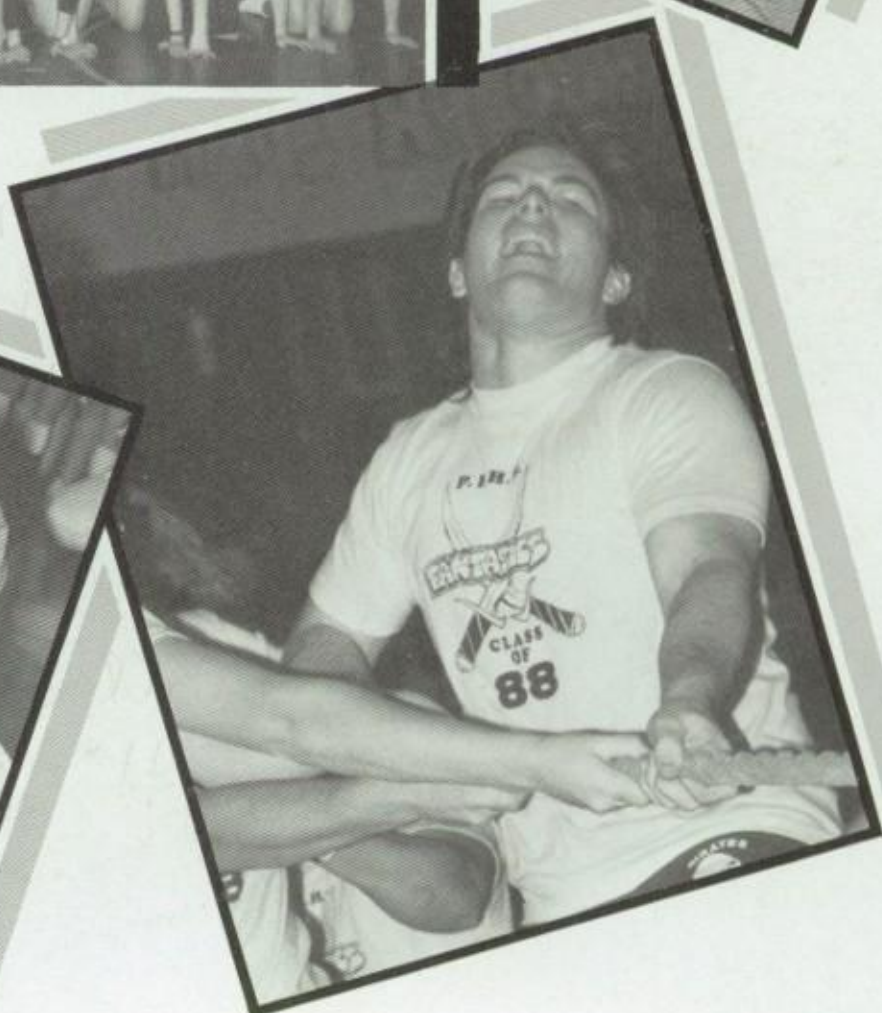

All in all, it was an eventful and exciting evening filled with school and class, spirit and competition. People came from far and wide to see what a "FANTASTICS" school Piedmont Hills really is.

The A.S.B. officers are voted into office in the spring of the year preceding their reign. Each of the officers have different duties from planning activities, to leading student council. This year's officers have made it a year to remember. Starting with a Welcome Back dance and ending it with the Good-Bye dance. With such events as Fantastics, Donkey Basketball and all the sports rallies in between. This year's A.S.B. officers had the first inner district exchange with other high schools. Being an A.S.B. officer is rough but the fun makes all the work worth it.

SUPREME COURT

The Supreme Court plays a crucial role in the politics of Piedmont Hills. Appointed Justices interpret the school constitution, draft amendments, count ballots in all elections, and run grade checks on Student Body officers and spirit leaders. Essentially, the Court is the foundation upon which the entire A. S. B. and its function lie.

EXECUTIVE COUNCIL

The Executive Council directs the activities program, another strong point here at Club Piedmont. Members also help in the upholding of Piedmont's constitution. During meetings, input is received from and decisions are made by the clubs, classes, and A. S. B. offices represented there. Critical issues discussed this year included grade eligibility and A. S. B. spending.

The 1986-87 Varsity Songgirls are a very close and friendly squad. They have always been known as a "Fun" group. The Songgirls consist of three seniors and three juniors, led by Denise Rutherford.

The Songgirls started their year in August, when they got together for camp at Stanford University. Many of the girls received ribbons for outstanding performances.

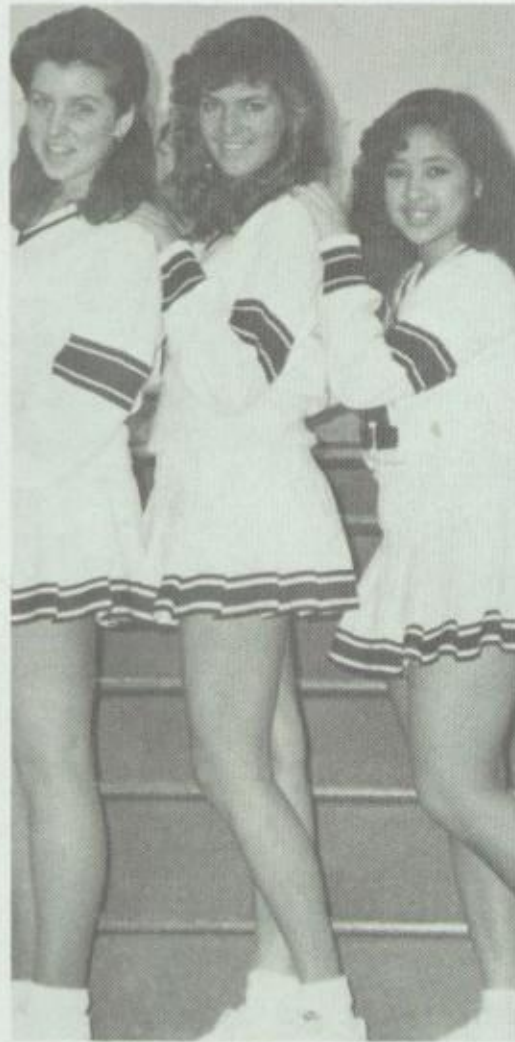

The first day of school the Songgirls performed a routine to "You be illin'" and "Private Number." They also performed songs to "Square dance rap," "See the light," and "Bass Monkey." You never know what our Varsity Songgirls will come up with next.

Varsity cheerleaders

The year of spirit was on when the 86-87 Varsity Cheerleaders came back from Camp with 4 superior ribbons. It wasn't all fun and games though practicing for cheers and a routine for the first day was in order. They joined up with the Lettergirls to "Control/Two of Hearts." All of them nervous and excited about opening day. The girls were pepped up and ready for a winning season.

"Yell louder! Make your moves sharper! I can't hear you!" Moans and groans. "What did I get myself into?"

Becoming a cheerleader is more than just prancing around in a skimpy miniskirt, which the girls found out from the very first day of cheering clinic, a five day training before tryouts. Excitement, nervousness and frustration all rolled up into one, along with aching muscles, left only eight trying out for the F/S squad. The girls were next put through one of the scariest moments of their lives; performing two newly learned cheers with all eyes on you is not easy!

When tryouts ended and the results were in, tears poured down everyone's faces-tears of joy for some and tears of sadness for others. The new cheerleaders were soon to find out that cheering clinic was nothing compared to what was in store for them.

The F/S cheering squad spent four days of hard work and exhaustion at the USA Santa Cruz Cheerleading Camp where they learned seven new cheers, three performance cheers, the Fight Song and a camp dance.

With school so close in view and bringing with it the opening day rally, daily grueling practices began. All their hard work paid off as they performed superbly.

From September through the end of February, the cheerleaders held regular practices. They cheered at all the F/S Football and Basketball games, bringing their true Pirate spirit and pride to each and every game.

Clubs

Piedmont Hills High School

What do you get with fifteen different clubs existing on one campus? The spirit and soul of Piedmont Hills High! From the Far East to the Western world, music to speech, writing to philosophizing, Club Piedmont has it all. A wide variety offers you the social life of the Pirate world — so pick your choice, join, and let the fun set in!

BAND

What would happen if you went to a night game, the Christmas program, or Piedmont's spring play and heard no music? Piedmont's band plays an important role in many school functions. These talented musicians are directed this year by Mr. Snyder. Along with Band are three other groups — Jazz Ensemble, Jazz Combo, and the Pep Band. Planned events include trips to music festivals and a February concert.

ARA

Academics, character, service, leadership — such describe this year's twenty-six seniors selected for Piedmont's National Honor Society, ARA. During the year, each member is responsible for a program to help the community or school. Later, the group as a whole is assigned a community project. ARA is led by advisors Mrs. Moore, Mr. Towle, and Mr. Wong.

BLACK STUDENT UNION

Headed by advisor Mrs. Hines and President Angela Smith, the Black Student Union is one of the most active and informative groups at Piedmont. Members hosted a Sacramento Inspirational Choir concert, Martin Luther King Dedication in January, and Black History Month during February. Overall, the BSU has been very successful in increasing people's awareness of black history.

FOREIGN LANGUAGE CLUB

As one of the largest and most active on campus, the Foreign Language Club exposes members to friendship and cultures. Directed by Mrs. Diaz and Mrs. Hetu and President Natalie Brasil, members are involved in a Christmas gift exchange, Chinese New Year trip, Cinco de Mayo celebration, fundraisers, and several banquets. As one member put it, "This exciting club has definitely made an impact on my years at Piedmont."

VIETNAMESE CLUB

The Vietnamese Club brings students together in order to preserve their culture. Although it is a young club, members have been very active in a cultural dance for the Christmas program, Club Day, and a Vietnamese New Year celebration. The group's advisor is Mr. Hopper and President, Lien Vu.

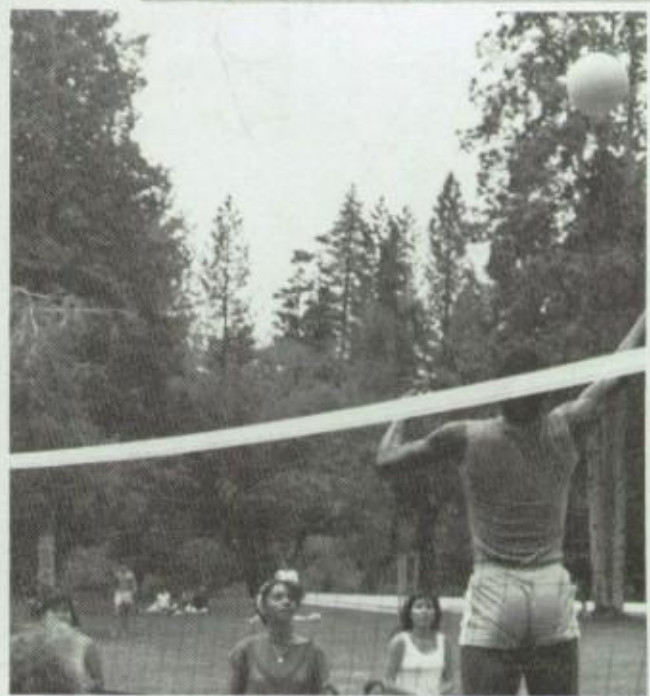

PHILOSOPHY CLUB

Is the world round? What would happen if Italy didn't exist? Under advisor Mr. Schurtinger and President Monnica Williams, the Philosophy Club attempts to answer these types of questions. It also puts out a bi-monthly newspaper, *The Island*, edited by Vice-President Jason Coffey.

MESA

MESA, which stands for Mathematics Engineering Science Achievement, is a program that helps to acquaint minority students with the math-related fields. This group, led by Mrs. Diaz, Mr. Schurtinger and President Kim Worthy, participates in Club Day, industrial field trips, and an engineering contest sponsored at San Jose State University each year.

CSF

With "Scholarship for Service" as its motto, CSF provides yearly scholarships while promoting high standards of education among students. The club has been very active in functions such as the annual Jack Emery Drive, Seniors' Honors Night, the Christmas Ball, and a teacher-student luncheon. Under the leadership of Mr. Brunolli, Mrs. McClinton and Mrs. Gallagher and President Lisa Brunolli, members also plan on going to Yosemite during the late spring.

UCO

UCO, which stands for University College Opportunity, is a small club that is starting this year with the guidance of advisor Mr. Enriquez. It is designed to help young minority students just entering high school to learn more about the colleges.

SPEECH

"Good morning, good morning!" — such are the sounds that start up every Pirate's day. This year, the Speech Club, led by President Robert Becker, organized the morning bulletin and in so doing, has spiced up life here at Piedmont. Other activities for the club include trips concerning radio broadcasting.

FBLA

Interested in the world of business? Then FBLA is just the club for you! Under advisor Mr. Jackson and President Julie Moss, the Future Business Leaders of America is growing quickly. Already they've scheduled events including a state conference, guest speakers, and visits to major corporations.

LE CLUB FRANCAIS

Parlez-vous francais? Voilà, c'est votre club! Guided by advisor Mme Sauvage and President Janis Lee, Le Club Francais is bigger and more active this year. Members are able to learn about the exciting culture of France through activities such as gatherings for La Toussaint, Noel, and Mardi Gras. Other events include a successful Club Day and candy sales.

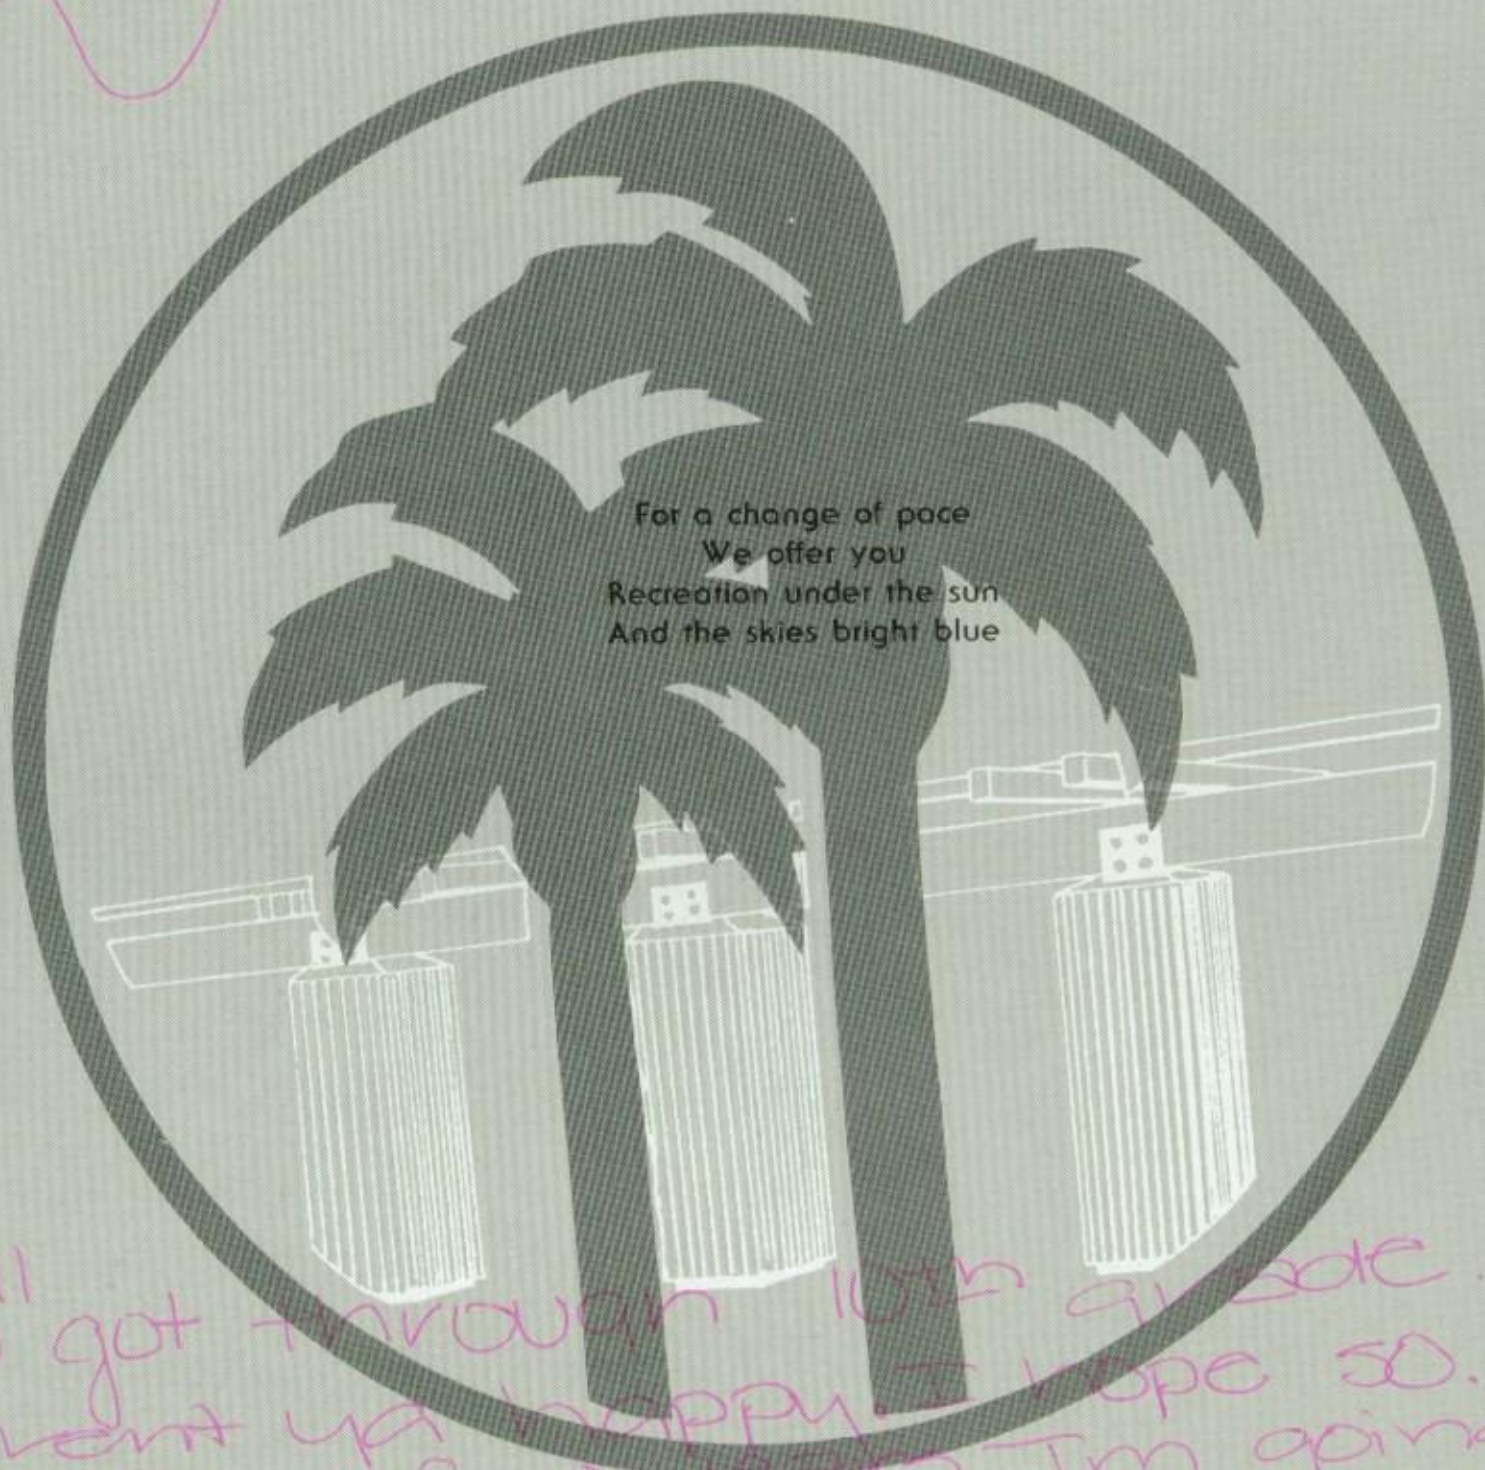

CHINESE CLUB

The Chinese Club, headed by Mr. Towle and Mrs. Moore, provides weekly tutoring to many students free of charge — an invaluable contribution to the school. The main purpose of the club, however, is to share the Chinese culture with others of Piedmont. For example, members sponsored a Chinese New Year celebration — with a lion dance, decorations, and a potluck — here in January. They also participate in Club Day, games, and an end-of-the-year picnic.

WHITEY

The Varsity Girls, Volleyball team ended their 1986 season with a 7-6 record. Although losing to James Lick twice, the Lady Pirates came back fighting against the Independence 76ers. There they lost 3 games to 2, but they enjoyed playing their rivals because they know they were tough and also many of the players know one another personally.

The volleyball team consists of six "awesome" seniors; team captain Lara Stuart, Barbara Whirmill, Laurie Stearns, Idalia Rodriguez and Michele Triorici. Also on the team are four juniors, Kathy Gangwish, Patty Viagar, Julie Norris, and Jennie Decena.

Game days were the most fun because of the competition and the opportunity to put into play what had been practiced all week. Practice included stretching, running, spiking, hitting and serving.

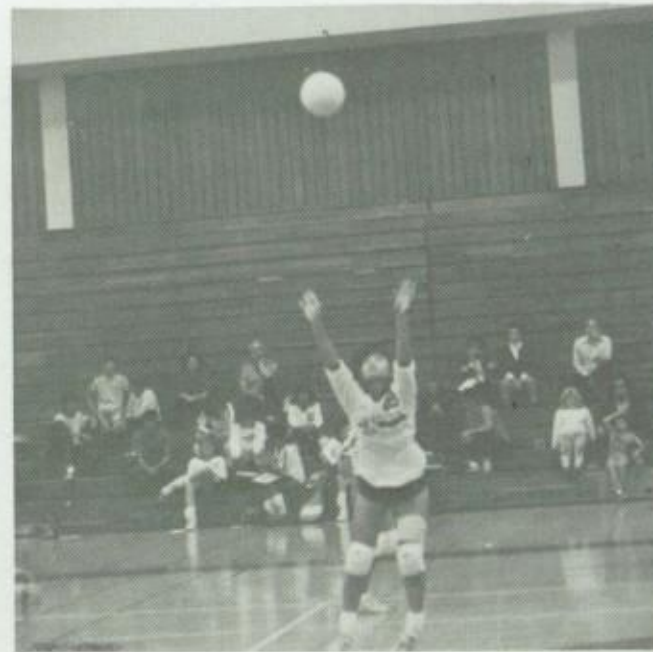

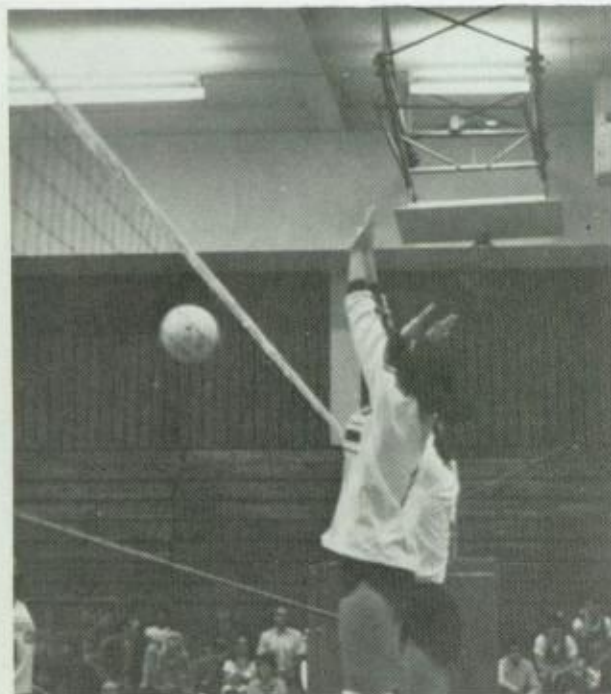

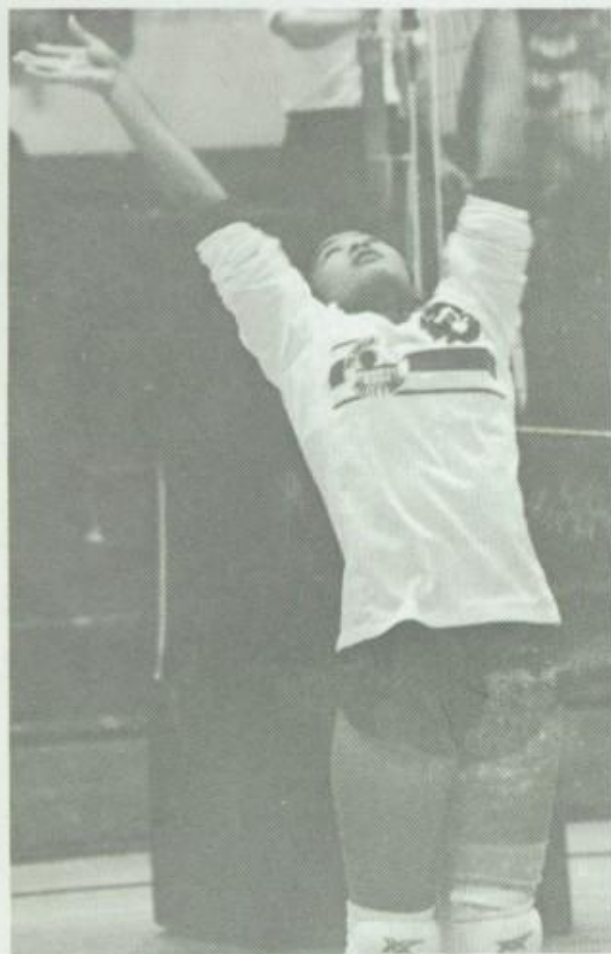

The Pirates made it to MHAL finals, but lost in the first round. The players want to thank their coach who helped them come a long way this year.

pirates on the court

The Frosh-Soph Volleyball team ended their awesome season with a record of 14-1! For the first time in history, the Lady Pirates captured the North Division title. They then took the M.H.A.L. Title by smashing the Independence 76ers 2 to 0. Piedmont Hills is proud of their hard work and their dedication to excellence. The F/S Volleyball team would like to give their sincere thanks to Coach Bueno for a great season!

This year's Frosh/Soph Football team experienced a rough season going 0 and 10. This record was due to the team having many new young members who had never played before. Nevertheless, the Pirates continued to put up a strong fight throughout the entire season.

The Pirates displayed excellent efforts during their games. A great defense was supported by Steve Carvajal with Paul Uekert on the line and Chaiyos Siripoke in the secondary.

Although the Pirates' offense hardly had a chance to score, there were some outstanding players. Included were young freshman John Walker, an exceptional running back, as well as Keith England, who in the back field showed terrific running skills in several games. John Walker and Keith England should prove to be promising players in the next year for Piedmont. Good job young Pirates — keep up the winning spirit.

The 1986 Varsity Football team experienced a fantastic season this year, finishing with a 9 and 1 record to become M.H.A.L. Champions. The Pirates' only loss was against Santa Teresa. However, they made a strong comeback afterwards against Silver Creek with a shut out for the entire game.

Dan Yetter launched another air-assault this year after breaking last year's passing record of 2,000; Yetter accomplished a total of 2,400 this season. In addition, Mike Gregory achieved 1st Team All-League in C.C.S. and sophomore Conrad Franco completed a total of 950 yards rushing to get on the 1st Team All-League also.

Special recognition goes to Piedmont's mighty offense and defense lines. This year's outstanding defense included linebackers Kevin Monroe, Mark Harisay, defense backs Dan Yetter, Bob Colcord, Scott Wilson, and Mike Gregory, and defense line Thor Harrison and Kevin Majeski. Congratulations for a superb job Pirates and good luck in the coming year!

pirates dominate sixers . . . how sweet it is!

For the first time in eleven years the Pirates defeated the Independence 76er's. The game took place on our field on October 3, 1986. The Pirates dominated with a 28-6 victory. The Pirates had a total of 341 yards, with 123 yards rushing and 218 yards passing. Independence's only score came in the second quarter. During the week before the game the Pirates practiced very hard. The coaches knew that we could beat them. It took a lot of encouragement for the team to believe, too, but they finally did, and the result was a team victory.

This victory set a new pace in the M.H.A.L. Following the win, people knew that the Pirates meant business and that they were serious contenders for the league championship. With this win the Pirates remained undefeated with a 4-0 over-all record and a 1-0 league record.

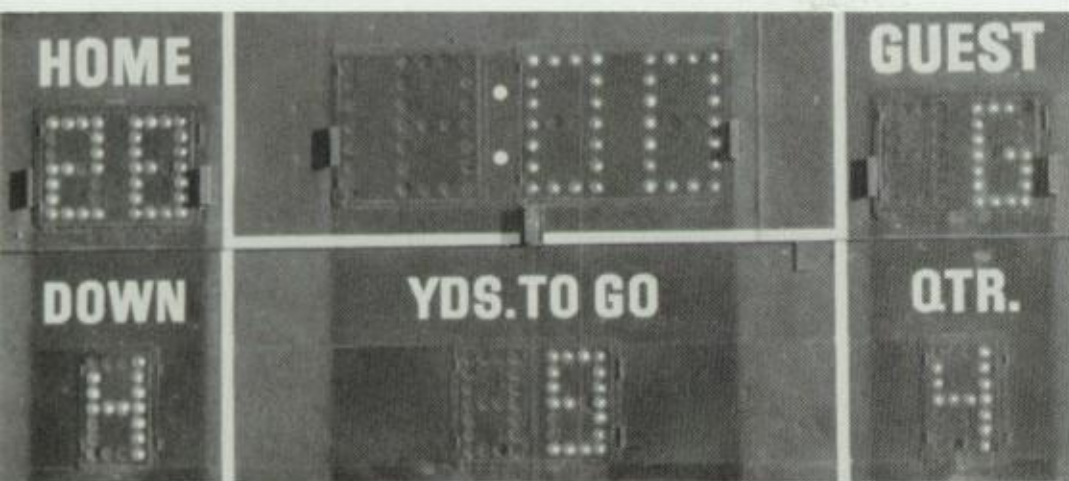

Above right, Matt Catalano takes the handoff from Dan Yetter to get the Pirates closer to the goal line. On the right, the Pirates get ready for the attack as line leaders Boon Serser, Scott Wilson, Dan Yetter and Mike Gregory lead the team in pre-game warm-ups.

Below, Leo Olmschied tackles number 40 for a loss on the carry as Thor Harrison moves in to help. Middle below, Conrad Franco breaks a twelve yard gain. Franco contributed the majority of the running yardage for the game. Far right, Mike Gregory makes one of his many catches during the game. Mike's good hands have benefited the pirates throughout the year.

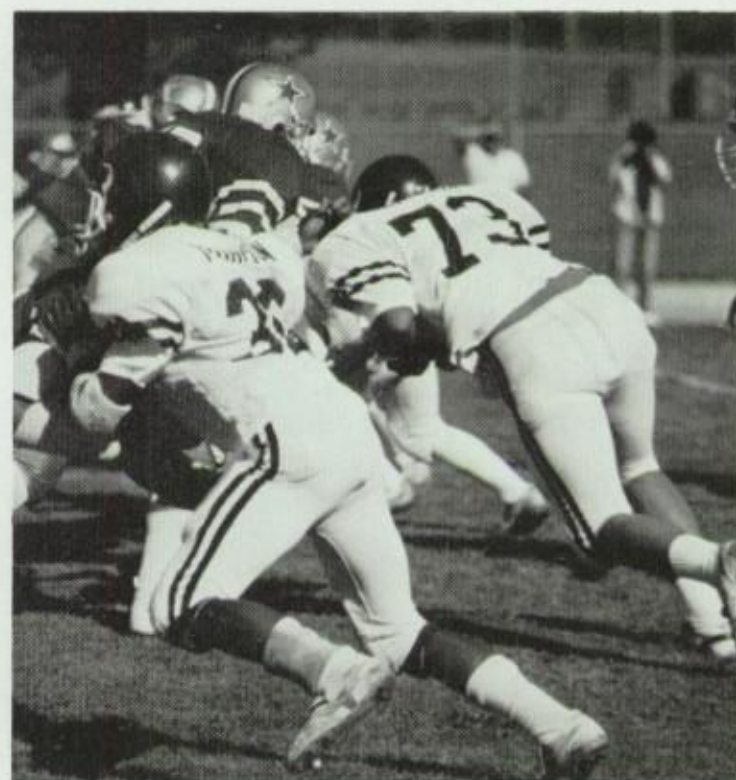

Mike Gregory takes the ball for 15 yards on the play. It's another first down for the Pirates.

Don Yerrer makes a devastating hit on number 42 from Independence, causing a fumble and a recovery for the Pirates on the play.

Sean Thompson and Thor Harrison break down the Independence line to attack the ball carrier. The Pirates were successful throughout the game in stopping the 76er offense.

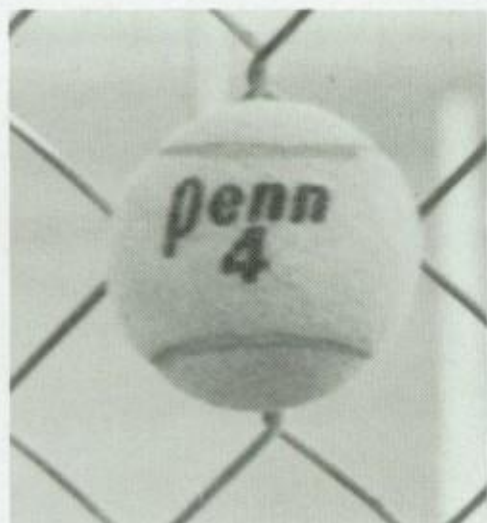

Piedmont gets ready for another attack against Independence. They frequently had the 76ers wondering what was coming next.

With the way the offense played during the game, you could almost guarantee that the Pirates would get a first down on each series. When Conrad Franco and Tom Chung lined up in the backfield, you could be sure that the Pirates would run the ball.

The Lady Pirates had a fantastic season, retaining the M.H.A.L. tennis title for the 5th consecutive year. Pre-season wins over Lynbrook, perennial power Willow Glen and Gunderson sharpened skills and readied the team for league play.

With nine Seniors returning, the team was experienced, confident, and impressive, recording 9 shut-outs and finishing the season undefeated with a 13-0 league record and a 17-1 over-all record.

Although the nucleus of the team will be gone, the remaining group will be back to uphold the Pirate winning tradition. Playing for the 1986-'87 M.H.A.L. champions this year were:

- Singles #1 - Lisa Brunolli (12)

m.h.a.l! a pirate tradition

This year's girl's Varsity Cross-Country team was undefeated in league with a 9-0 record. Entering the CCS play-offs the lady Pirates had an 11-0 overall record. Senior Michelle Bohn said, "The great season we had was due to the hard work and dedication of the team and coach."

Next year, since three Seniors will be graduating, Coach Frandsen stated that the girls cross-country team would have to pick up 4 more good runners to have a good season. She also said that Independence would be favored because their top 5 runners will be returning next year.

1st team all league titles went to Senior-Team Captain Jennifer Bahringer, Sophomore-Tarsha Handy, and Senior-Christine Croyle.

The 1986 Varsity Cross Country team limped to a 1-9 record. Many personal injuries contributed to an off year. The lone victory came against Andrew Hill.

Another factor contributing to the losing season was inexperience. Most of the team are freshmen and sophomores with no seniors at all. Many of the opposing teams were more experienced, having seniors who had run throughout their high school careers.

There were some bright spots during the year. Everyone on the team broke their own personal records. The team also took 3rd place at the Washington and Del Mar Invitionals. MVP went to Joe Tang and the coaches awards went to Paul Brower and Bill Evanger.

Continued effort will provide the Pirates with greater success in coming years. In addition, many of the runners have put themselves on a year-round training program. Again, the Pirate runners have proved that they have a winning attitude.

changes in the water

Varsity Girls Swimming made a season change this year. After several years competing in the spring with the boys varsity, they returned to a fall schedule. This will allow the girls to compete in post-season meets such as CCS. The girls say they miss the guys, but have benefited as a result of the extra attention from the coach.

Captain Kris Williams said the team improved a lot and many individuals made personal bests. Kris also added, "I'll miss being a part of the team next year."

The team had a new coach this year. He is Dean Mutimer. He increased the workout yardage and has been paying special attention to the girls' stroke form.

The girls had a challenging season with a record of 4 wins, 4 losses, and one tie. Girls that advanced onto CCS were Lisa Well-sand, Heather Fleming, Karen Vincent, and Janice McDermott in the 200 medly relay. Heather Fleming also swam in the 100 back and 100 free, placing 13th overall in the 100 back. Good job girls.

When it comes to wrestling, these Pirate's know what's up. Although the team had a very late start, they showed great determination in winning. This year's wrestling coach, Ben Barrientos, just happened to show up at the spur of the moment. Piedmont Hills wrestlers were disappointed when they realized their coach Dave Rojas from the years before was no longer their coach. Ben Barrientos walked in on accident. He came to help practice with the team and was amazed that Piedmont didn't have Rojas any longer. Thanks to Barrientos Piedmont's wrestlers had a chance to wrestle for our school once again. Returning wrestlers are seniors George Adams, Isado Byrd, and Sidney Valle. Junior wrestlers are Bobby Hughes, Chris Dallen, and John Houser. Little Johnny Gomez returned as well. All our wrestlers worked their hardest and showed great improvement in this year's wrestling team.

The girl's Varsity soccer team had an impressive season winning the North Division and coming close to winning the M.H.A.L. title. The overall record was 15 wins, 3 losses, and 2 ties.

With only 4 seniors graduating, the Pirates should be very strong contenders for M.H.A.L. next year.

First team all-league was given to Catherine Tanner, Jill Oliver, Lisa Martinez, Cassie

Winters, and Ali Burns. M.V.P. was awarded to Catherine Tanner, while Coaches Award was presented to Ilynn Nepomuceno.

Coach Harris felt it was a priveledge working with such a fine group of young ladies. He wishes the best of luck to the seniors and hopes the remaining players will be back next year.

Our native boys' varsity soccer team ended their outstanding season with a league record of 8-4-1 and an over-all record of 12-6-1. This memorable year was highlighted by the team's trip to Hawaii, and by wins over Santa Teresa and Independence.

Many of the players received special honors and awards. Senior Mike Silcox made first team all-league, first team all-country, and team M.V.P. Junior David Smith made first team all-league, all-country honorable mention, and co-Coach's Award. Second team all-

league was made by Senior John Mueller (co-Coach's Award), senior Ron Morris, and junior Lance Nelson.

"This was a very young team that improved a great deal. They learned to play with a lot of intensity. We met every expectation and ended the season on a high, playing great soccer!" comments Coach Spina. Next year, the Pirates should dominate in league and be a top contender in C.C.S. because they are only losing four seniors.

The Girl's Varsity Basketball team once again proved that winning the M. H. A. L. Championship is an incurable habit of theirs. The girls captured the title on Feb. 18 by beating Independence 62-40, ending the season with a dominating record of 14-0. With the M. H. A. L. Championship behind them, the team continued onto the C. C. S. playoffs and finished gracefully in the semi-finals. This year's offensive rebounding was led by sophomore Kim Conway. The All-League MVP was also rewarded to senior Kari Dobashi, who played well throughout the year. Good luck next year Lady Pirates!

The Girls' Frosh-Soph Basketball team had a good season with a record of 10 wins and 3 losses. Some key players were Marcel Ignacio, Cami D'Angelo, and Pauline Fischer. Working hard, the girls won the North Division title. Later, they played the South Division champs (Independence), only to lose. However, the team still placed second overall in the league.

Frosh-Soph basketball was at its best this year. The season closed with 23 wins and one loss. The one loss was at the Del Mar Tournament against Westmont. Westmont 49, Piedmont 45. Their best game was in the tournament against Cupertino. Pirates 59 Cupertino 57. The most valuable player is Forward Mike Shepard. The three leading rebounders and scorers were Center Ernest Morrell, Forward Watu Crowder, and their M.V.P. Forward. The most improved players were Guards Randy Taggle & Andy Shin. Coach Mialovich says, "We have two very fine returning Freshmen Guards, Derek Meonske, and Derek Mune. If we can find some big men, we should be able to repeat as Northern Division Champs, for the third straight year.

This year's Boys Varsity Basketball team ended their year with a 13-2 league record and a 21-4 overall record, losing only to Silver Creek and twice to Independence. After capturing the MHAL North Division title, the Pirates came up short at the MHAL playoffs against Independence by a score of 58-65. Entering the CCS playoffs the team had an unfortunate loss to Bellarmine, losing only by 6 points in the opening round. The final score was 64-70.

The basketball team had many highpoints. Two significant highlights were the Westmont Tournament and the Independence Tournament where the Pirates came out first place both times. MHAL All-League titles went to Junior, Rex Walters; Junior, Lucius Davis; Senior, Mike Gregory; and Senior, Luis Juico. Rex, Lucius, and Luis were among the top 20 scorers in Santa Clara County. Mike Gregory was a strong rebounder as well as passer. Since most of the team will be back next year, they are expected to do well in the 1987-88 season.

This Pirate team has been a perennial powerhouse in the M.H.A.L. circuit. This year's team is young in comparison to recent years, but Coach Azama stated that they were working hard to take the M.H.A.L. championship. If Coach Azama's record holds, the Pirates will make that goal easily. At mid-season, the record stood at 4-1.

The girls' varsity badminton team started off its season with a league record of 2-0. This year they are one of the teams strongly favored to win M.H.A.L. There are many girls with three to four years experience, while most of the remaining players are rookies. Hopefully this will form a winning combination.

Many of the girls have hopes of success in the post-season individual play-offs. Two of these players are Barbara Whitmill and Dawn Kawashima who are in their third year as the #1 doubles team. They have been undefeated in league for the past 2 years, and finished at 7th place in C.C.S. play-offs last year. Other outstanding players are #1 singles Ngoc Cao, and #2 doubles Bridget Teodoro and Heather McFrye.

Coach Manuel Lopez is a teacher at Piedmont Middle School. He believes his team has the ability to win it all this year. He had something he'd like to say to his graduating players: "I want the seniors to know that you have given me the great memories throughout the years I've known you. May you continue with your success and your happiness. You'll always be number one." With a lot of hard work and dedication, Coach Lopez's wish will come true.

The 1987 Varsity Baseball Team is made up of six seniors and nine juniors. At press time the Pirates were playing solidly on defense, anchored by seniors Scott Wilson, Scott Hughes and Rob Johnstone. The pitching corps was led by senior Frank Martinez, who had several good outings this season. The Pirates are counting on juniors Kevin Hughes, Isaac DeLaRosa, and Jeff Rodriguez to provide some extra offensive punch; providing greater run production, and putting a few more wins in the win column than they did in 1986.

Prospects for the 1987 season did not look too good at first for this year's frosh/soph baseball team. With only two starters (Kevin Baker and Erik Haddick) returning and only two additional non-starting players (Frank Cavezza and Chad Mathews) returning, the young Pirates were faced with an uphill struggle.

However, these four players, plus several newcomers, came on extremely strong and made this year's season a successful one.

Pitchers Willie Thomas and Jon LaRiviere performed quite well, as did catcher Scott Amaral, utility player Joe Edwards, and outfielder Chaiyos Siripoke. These talented newcomers to Pirate baseball program, along with our veterans, helped make the prospects for a winning team next year quite good.

This year's Frosh-Soph team started out with a bad streak of losses. However, they seem to be optimistic about the future, due to much hard work at practice. Their infield and pitching are also proving to be strong. Overall these Pirates have the spirit it takes to be a successful team.

The lady pirates started out their season with a smashing win to Yerba Buena. They stole it away leading with a score of 18 to 4. The last two games were an upset against Silver Creek and Overfelt. Their P.A.L. Tournament for the pre-league season ended when they lost to Branham & Pioneer. Two of the top teams in California. Their season looks bright with a game against the (sixers) K-mart our arch-rival, later in the season. Next year the lady Pirates will have a bright future when they have everyone of their team members returning except one senior.

Though the Pirates swimming started late this spring they came on strong and demonstrated great potential. Starting the season with a 2-0 record they had high hopes for attaining the MHAL title. Coach Abrigo has been training several swimmers for CCS at Stanford. Abrigo has stepped up the yardage and increased the number of workouts by adding three morning workouts. At last, we're finally here! With final exams behind us and a whole summer ahead, now is also the time to look back on our stay here at Club Piedmont . . .

Another exciting year has passed us by. From rallies to the football games, the Senior Ball to Spirit Week, Pirates have lived through it all. Yet there's more to remember during these last days before departing. For underclassmen, especially freshmen, this is only the beginning of another adventure at Club Piedmont. To seniors, as they get ready to go off into a whole new world and onto journeys of their own, this marks the end of their voyage — a voyage of friends and love, of failing and achieving, of tears and joy.

Overall, 1986-87 hasn't been just another year, but, in reality, a part within each Pirate that will never be forgotten.

We walked together along the path
of dreams and future plans
We watched the sun come up and set
always giving a helping hand
I'd guide you far and you'd guide me
Together, nights and days
But now some force divides us up
to go our separate ways
Just walk with me from now 'till then
let me know your always there
To warm my heart or make me smile
and tell me that you care.

*Good luck to the

Hi you're very - Stay
Sweet & Nice - GREAT
Cool & Happy - GREAT
Summer

And when, even though we're far away,
We'll just close our eyes and try,
To feel the way we do today and if,
We can still remember,

Keep smiling, keep shining,
Knowing you can always count on us,
For sure, that's what friends are for.
For good times, and bad times, we'll be
On your side, forever more, that's what friends are
for.

You are my one and only love
And this I want you to know
You mean more to me than anything
I don't ever want you to go
Loving you gives me happiness,
the kind I need each day
and if sometimes I don't show it,
I love you in each and every way.
If sometimes I get jealous,
It's only because I care,
The love I feel for you
Is ever so rare
If I could have one wish
Do you know what it would be?
For us to be together,
For all eternity

*Love you always

After seven year of ...
camping out,
skiing,
sleeping over,
16 candles,
screaming at little kids,
feeding crabs,
catching rays,
feeling awkward & ugly blossoming,
one boyfriend to the next,
first kiss,
first date,
first love,
first loss,
summer jobs,
and back to school blues,
first tears
and last laugh.

We've been through it all together and
couldn't have survived apart and even
though we're going our seperate ways
we'll always be together in our hearts.

Love & Thanks,
Carol and Margret

BFA

It hasn't been just the laughter,
but also the sorrow
nor only the hellos,
but the good-byes
which have made us grow close.
Our friendship will last
a lifetime
And all our wonderful memories
will never fade
By going our seperate ways
and finding new friends,
we will only strengthen
our love for each other
And see more clearly
what a special friendship
we all share.

To be a friend is to be a friend
forever.
